A staple in the New York region and an emerging program on the national stage, the Manhattanville College Athletic Department continues to bolster its reputation as a program on the rise in all areas: athletic achievement, academic success and overall participation.

More than 325 Valiant student-athletes (nearly 20 percent of the student body) took part in intercollegiate athletics during the 2010-11 school year showcasing the continued and rapid growth of athletics at Manhattanville. Following the successful integration of the men's and women's indoor and outdoor track teams in 2008-09, the program has expanded to 21 intercollegiate teams – including seven new teams that have been established or re-established since 2007 alone.

And teams at Manhattanville do not just compete, they win. Four teams earned conference regular-season or tournament championships in 2010-11 and three Valiant squads (women's soccer, women's hockey and men's golf) appeared in the NCAA Tournament. 13 of 21 Valiant squads earned berths in their respective conference championships last year, including the eighth title in 12 seasons for the women's hockey team and the second straight title for men's golf. In addition, a pair of Manhattanville squads (men's hockey and women's hockey) spent much of the year nationally ranked while two more programs (men's basketball and men's golf) topped the list of teams receiving votes nationally in their respective polls over the course of the year.

On an individual level, many Valiant student-athletes were honored in 2010-11 as well, including a pair of Freedom Conference Players of the Year and two Freedom Rookies of the Year to go with 32 combined All-Conference honorees. In the last 10 years, at least 35 former Valiants have gone on to play their sport professionally either domestically or overseas as well.

But at Manhattanville, athletics is only one part of becoming a well-rounded student-athlete. In the classroom, Valiant athletes consistently achieve higher grade-point averages than the student body as a whole, as evidenced by the 3.20 Athletic Department GPA for the Spring 2011 semester and the fact that all but four Valiant teams recorded a team GPA of 3.000 or higher for the spring term. In addition, the department boasted its first CoSIDA Academic All-American in 27 years and a pair of CoSIDA Academic All-District representatives, while the department also shattered its previous best with 114 student-athletes named Academic All-Conference honorees.

Community service also continues to play a vital role in the student-athlete experience at Manhattanville, as each team performs hundreds of community service hours each year. In addition to active involvement with many local sports teams and youth organizations both on and off campus, Valiant teams sponsor events such as the women's basketball “Pink Zone” night and the women's hockey “Think Pink” event to promote cancer awareness. As a result of these and other efforts, the school was the recipient of two Jostens/NADIIIAA Community Service Awards in 2009, one of only 13 institutions honored and the only school to receive two awards. The service aspect of the Valiant student-athlete experience plays a large role in helping Valiant athletes fulfill the college’s mission of educating students to be ethically and socially responsible leaders in a global community.

Director of Athletics Keith Levinthal

Begins his ninth full year as Director of Athletics at Manhattanville College in 2011-12 and continues to
establish the school as a regional and national leader in athletic success, academic achievement and community involvement.
In addition to his role as head of the department, Levinthal also serves as head coach of Manhattanville's nationally recognized
men's hockey program.

Levinthal has led the Valiant athletic program to unprecedented heights in recent years, as Manhattanville has collected 52
conference championships – 26 regular-season championships and 26 tournament titles – in the last eight seasons alone. In
that span, the program has also produced 27 conference Players of the Year, 15 All-American selections and one National Player of
the Year.

Manhattanville continued its recent string of very successful seasons in 2010-11, as 15 teams participated in conference
postseason play and four squads won a conference regular-season or tournament title. The Valiant women's soccer, women's hockey and men's golf teams
won conference championships and advanced to the NCAA Tournament during the season, while the men's basketball team achieved the first D3Hoops.com
national ranking in program history and the men's golf team received votes in multiple national coaches polls for the first time. Off the field, a program-
record 114 Valiant student-athletes were named to their respective conference Academic Honor Rolls as well, while the program also earned its first CoSIDA/
Capital One Academic All-American selection in 27 years and a pair of CoSIDA/Capital One Academic All-District honorees.

In 2007-08, Levinthal guided the Athletics Department as it transitioned from the Skyline Conference to the Freedom Conference and also reintroduced
volleyball and cross country programs to the school. The Valiants saw immediate success in its new conference as two teams clinched Freedom Conference
regular-season championships and three programs won conference tournaments in advancing to the NCAA Tournament. The women's hockey team advanced
to the program's third National Championship game, while the women's soccer team reached the NCAA Tournament for the first time in program history.

Levinthal also led the Valiants to a record-breaking year in 2006-07, as six teams won conference championships and a program-record five teams qualified
for the NCAA Tournament. His men's hockey team spent 13 consecutive weeks as the top-ranked team in the nation and earned its first-ever berth in the
national semifinals, while goaltender Andrew Gallant became the first Manhattanville student-athlete to be named a National Player of the Year. Six coaches
were named as conference Coach of the Year, while a program-best four Valiant student-athletes were also named CoSIDA/ESPN The Magazine Academic
All-District honorees. And, for the first time ever, Valiant teams won more league championships than any other Skyline Conference team.

Levinthal saw immediate athletic success during his first full year at the helm, as all 14 of Manhattanville's athletic programs participated in postseason
play during the 2003-04 year. Four teams earned bids to the ECAC postseason tournaments, while the women's ice hockey program earned its third
consecutive NCAA Tournament appearance. In 2004, Levinthal also received the honor of beginning a four-year term on the NCAA Men's and Women's Ice
Hockey Rules Committee, serving as one of 13 overall members and one of just four from Division III institutions.

But in addition to athletic success, at the heart of every successful program lie sound resources for its lifeblood – its student-athletes. Therefore, Levinthal
has made it a priority to provide the resources needed to create an environment in which Manhattanville student-athletes can achieve at the highest level
in all areas: academically, socially and athletically.

A 1995 graduate of Hobart College, Levinthal is committed to developing all aspects of the athletics program. In his tenure at Manhattanville, Levinthal's
agenda has included:

Student-Athlete Development - Manhattanville continues to be on the cutting edge in the total development of its student-athletes. Valiant student-
athletes have exhibited a strong presence and desire to serve the New York area. All varsity teams participate in outreach activities, positively impacting
numerous area youth groups, hospitals, schools and agencies.

Professionalism - Under Levinthal's guidance, Manhattanville athletics received a much-needed face-lift. With a new website, logo, team colors and
method of business, he has streamlined and energized the department. The result has been increased exposure to Manhattanville student-athletes, improved
performance both on and off the field, and increased support from fans and alumni.

Exposure - Manhattanville Athletics continues to maintain a strong presence on national and regional media outlets. Levinthal has helped increase the
program's media opportunities as well as displaying the values of the Valiants constantly in the public eye.

Assistant Director of Athletics Julene Fisher

Begins her seventh year as Assistant Athletic Director and Senior Woman Administrator, and her ninth year overall
within the Manhattanville Athletic Department in 2011-12.

As Assistant Athletic Director, Fisher is responsible for assisting the athletic director in an administrative capacity. She handles
the scheduling for all of Manhattanville's 21 sports and also handles travel accommodations and assignment of the department's
student workers.

A former Assistant Sports Information Director at Manhattanville, Fisher also assists the Sports Information Department by
serving as a statistician for home baseball games and select other home contests.

Fisher began her tenure at Manhattanville as an administrative assistant in the Manhattanville Development Office before
moving over to the Athletic Department.

Fisher graduated from Marymount College in 2002 as an English/Journalism major. She served as the editor-in-chief of Marymount's student newspaper,
The Cormont, and also was a four-year letterwinner in both swimming and softball at the school.

In television, she worked in conjunction with ABC News, the Discovery Channel and HBO to produce the hit series, "The Justice Files", as well as HBO's
Emmy award winning documentary "In Memoriam: New York City, 9/11".

The Cormont, and also was a four-year letterwinner in both swimming and softball at the school.
Kevin Kelly is back for his fourth season at the helm of the Manhattanville field hockey program in 2011, continuing the task of returning the Valiants to their position as a conference and regional power.

Despite fielding a roster with just four upperclassmen and only one senior in 2010, Kelly nearly guided the Valiants to a winning record in his third season at the helm, posting a 9-10 overall mark. After a tough start to the year, the squad heated up in the middle of the season, starting with a near upset of #9 Eastern that was followed by a four-game winning streak in which the Valiants outscored their opponents by a 20-4 score. The most exciting game of the year came later at DeSales, when the Valiants tied the score late and Megan Greene tallied the game-winner with only five seconds left in overtime.

Although no Valiants were named All-Conference, Kayla Meenan had one of the best statistical seasons in program history in 2010, as she ranked second on the school's single-season points list with 33 (11 goals, 11 assists).

Manhattanville posted a 7-11 record in Kelly’s second season as head coach in 2009, providing a solid base for future successes. The team’s potential was evident in the season-opening 6-3 win over Keystone College in which five of the team’s six tallies came from freshmen. Other highlights from the year included a dominating 8-0 win over Elms College and a hard-fought 5-4 (OT) victory over Ramapo College.

A trio of Valiants – Jen Ascencio, Maura Bruen and Lauren Rutledge – earned All-Conference honors from the Freedom Conference after the 2009 season, as all three players were named to the second team.

In his first season as a collegiate head coach, Kelly guided the Valiants to a 6-12 record. The team faced a very difficult schedule that featured five nationally ranked opponents, falling to three of those teams by a single goal. In all, 10 of the Valiants’ 18 matches in 2008 were decided by one goal, including five of the team’s six wins.

Kelly came to Manhattanville from Rye High School, where he served as the head coach of the varsity field hockey team for 30 years. He experienced unparalleled success at the school, posting a career record of 391-56-9 (.867), and built a resume that includes four New York State championships, five regional titles and nearly 20 league championships.

Individually, Kelly was a three-time Section 1 Coach of the Year and in his final season was named the 2007 Journal News Coach of the Year. Kelly, whose Rye program was named the “Team of the Decade” by New York State, finished his high school career with the second-highest win total among active New York coaches.

Kelly currently resides in Westport, Conn.

Eileen O’Reilly is in her first season as an assistant coach with the Manhattanville field hockey program in 2011.

O’Reilly comes to Purchase after a decorated four-year career on the field hockey field at Franklin & Marshall College, where she was a four-year starter and senior captain for the Diplomats. She was named to the NFHCA All-South Region and All-Centennial Conference first team as a senior after scoring nine goals with 11 assists for a career-high 29 points, following up an All-Conference second-team honor in 2009. She finished her career as the school’s all-time leader in assists (35) and game-winning goals (eight), while also ranking fifth in points (95) and ninth in goals (30).

Off the field, O’Reilly was a four-time NFHCA and Centennial Conference Academic Honor Roll honoree and the 2011 recipient of the Karvasales Award, which is given to a Franklin & Marshall female senior athlete with cumulative outstanding athletic achievements over a four-year period. In addition, she was selected as the Centennial Conference’s nominee for the 2011 NCAA Woman of the Year Award and participated in the conference’s 2011 Snell-Shillingford coaching symposium.

O’Reilly graduated from Franklin & Marshall in May 2011 with a bachelor’s degree in Spanish and American Studies, graduating magna cum laude and as a member of Phi Beta Kappa.

In the spring of her senior year, O’Reilly served as a student assistant field hockey coach at her alma mater, coordinating drills, providing individual feedback to players, and assisting in all aspects of practice.

A native of Mamaroneck, N.Y., O’Reilly currently resides in Purchase as she pursues her graduate degree at Manhattanville.

Under fourth-year head coach Kevin Kelly, the Valiants return 15 players from the 2010 roster and add nine newcomers to the squad. The team, picked to finish sixth in the Freedom Conference preseason poll, will look to continue building towards a Freedom Conference Championship appearance after a 9-10 season in 2010.

Included in the 15 returners in 2011 are the top three point scorers from a season ago. Junior Kayla Meenan led the team with 11 goals and 11 assists in 2010 for her team-high 33 points, which ranked second on the school’s single-season list. Sophomore Megan Greene tallied eight goals and three assists last season. Moving from the center halfback position to midfield this year will be senior Alyssa Coughlan, who in addition to her play-making role in 2010 added seven goals and four assists.

FORWARD

Meenan and Greene bring a strong presence to the forward position this year after combining for 19 goals last year.

In 2010, Meenan tied for 10th on the single-season goals list and tied for 3rd on the single-season assists list all time at Manhattanville. Meenan will look to add to her career numbers to the forward position this year after combining seven goals and four assists.

Senior Alyssa Nardone started in eight of her 19 appearances last season. While collecting six goals last year, three proved to be key game-winning goals, helping in the Valiants’ nine wins. Her three game-winning goals came in a week-long span in October against Richard Stockton, Wilkes and Western Connecticut.

Sophomore Britney Themistocles appeared in 14 games as a role player and notched three goals, including a pair against Wilkes on October 10.

Sophomore Lindsey Stebenne came into 14 games as a reserve and scored a pair of goals in the season finale against Mercy in 2010. Classmate Alyssa Tourdot, who saw action in 16 games, collected one goal and one assist will also look to push her way into the starting lineup.

Newcomer Amanda DeChent joins the roster after spending her freshman year at Division II Southern Connecticut. As a freshman with the Owls, DeChant played in 19 games scoring six goals and adding two assist.

Freshman Zeona Walker-Latney will also vie for time at the forward position this season for the Valiants.

MIDFIELD

The midfield gets a big addition as Coughlan joins the line after starting at center halfback in 2010. Coughlan joins junior Melissa Goncalves and several newcomers as the midfield will look to rack up the assists passing to a strong forward group.

Coughlan started in all 19 games for the Valiants as a junior and scored the opening goal of the season in a 2-1 loss to SUNY New Paltz. Coughlan reached a season high in points with four as she scored twice in the 8-0 shutout of Wilkes.

In addition to the top-three scorers returning this season is Goncalves, who started 13 games last season and tallied a pair of goals. Goncalves took a season high 11 shots in the September 21 game against Elmira last year and will look for more opportunities as a starter.

Sophomore Rebecca McClintock appeared in six games last year and will add more depth to a successful midfield group, and will continue to develop under the upperclassmen.

Three new freshmen come to Manhattanville in an attempt to make an immediate impact. Sydney Asselstine brings height and skill to the midfield line, while Robyn Downing brings her high school championship experience to Purchase. The third freshman, Saba Najj, brings speed and skill after her years playing field hockey and running track in high school.

CENTER HALFBACK

Junior Sarah Mason moves from her defensive position to a more offensive-oriented spot at the center half position. Mason played in all 19 games last year, starting in 13 of them. She collected a defensive save against William Smith on September 18 and will look to contribute another solid season for the Valiant team.

DEFENSE

Leading the defense this year will be senior Colleen Macedo who started in all 19 games a season ago. Her leadership on the defensive side of the ball will be integral to a young defensive group. Macedo, in addition to her defense, tallied two goals, including the game-winner against St. Lawrence on September 19.

A trio of sophomores re-join the defensive crew for their second year in 2011. Chelsea Klein started 18 of 19 games as a freshman and looks to add another solid campaign under her belt. Meg Wittner also started a majority of the games in her freshman season, starting in 15 of her 18 contests, while also contributing a team-high three defensive saves. Julia Esposito returns for her second season as well after contributing in 16 games while starting six.

Three defenders joining the team this year are Carly Brunco, Kateri Fischer and Drew Moore. The trio of freshmen look to push the current defensive core for spots in the starting lineup this season.

GOALIE

The lone returner between the posts is sophomore Amy Hilton, who as a freshman saw action in four games and got a start against Elms on September 12. Hilton posted a 2-0 record last year with decisions against Elms and Mercy, while also seeing limited action in games against William Smith and Wilkes. Hilton will look to continue adding in-game experience under her belt in 2011 as the only goaltender on the roster to start the year.

SCHEDULE

The Valiants will open their season against Mercy College at home on GoValiants.com Field on September 1 at 7 p.m. before five straight games away from home. During the five-game road trip, Manhattanville will play a pair of two-game tournaments at Vassar and William Smith.

The Freedom Conference schedule begins at home on September 24 against Delaware Valley at 1 p.m. The home conference schedule also includes match-ups against Misericordia, DeSales and FDU-Florham. The contest against FDU-Florham at 7 p.m. wraps up the regular season on October 25.

The Freedom Conference Championship begins with the semifinals on November 2 at the home of the top two seeds. The highest remaining seed will host the championship game on November 5.

Last Meeting: Oct. 9, 2010 (Manhattanville 8-0 Win)
Completed just before the start of the 2005 fall season, GoValiants.com Field is one of the top outdoor soccer facilities in the Northeast, and home to the Manhattanville field hockey, men's and women's soccer, and men's and women's lacrosse programs.

Surrounded by a four-pillar lighting system, scoreboard, fully equipped press box and bleacher-style seating, GoValiants.com Field is made up of state-of-the-art Field Turf, a technology that emulates the stability and resilience of natural grass without the obvious maintenance. The field’s durability and elaborate drainage system allow the Valiants to play in all kinds of weather and also allow all 21 Manhattanville athletic teams to make use of the program for training, practice and games.

The field itself measures 120 x 72 yards and the four light poles – each 90-feet high – let the Valiants play under the lights several times each year, something few other Division III programs can do with regularity.

The press box at GoValiants.com Field is wired for Internet and phone access, allowing for live video broadcasts of Valiant athletic contests through GoValiants.TV and audio broadcasts via WMVL 88.1 FM, as well as live stats produced for every Valiant home game. There are also ample electrical outlets and a photography bay above the press box for use by media and team personnel. A high-powered sound system used for pre- and in-game announcements is also housed in the press box.

Adjacent to the GoValiants.com Field is another valuable outdoor athletic venue, Manhattanville’s outdoor grass field. The regulation-size grass field was rebuilt in 2005 and also plays host to several soccer matches during the year. While not equipped with lights, the grass field does possess a brand new scoreboard, which can be accessed through the press box at GoValiants.com Field.

Manhattanville’s first win at GoValiants.com Field came courtesy of the women’s soccer team, which defeated the SUNY Institute of Technology, 2-0, in the opening game of the Valiant Cup on September 3, 2005.

The field hockey team posted a 6-4 record in its first season on the new turf in 2005 and won three of their first four home matches, including a 3-1 victory over New England College in its first home contest on September 8, 2005. The Valiants won a program-record seven home games two seasons later in 2007.

Kennedy Gymnasium

Dedicated in October 1957 by the family of eventual United States President John F. Kennedy, Kennedy Gymnasium is the day-to-day home of the Manhattanville Department of Athletics and also serves as the home court for the Valiant men’s and women’s basketball and women’s volleyball programs.

With balcony and ground-level seating for 1,000 spectators, Kennedy Gymnasium gives the Manhattanville teams that play inside it a loud and imposing home-court advantage. With bleachers lining the near sideline of the court and a large balcony overhanging the bleachers, there is plenty of room for Valiant friends, family and fans to cheer on their favorite Manhattanville teams throughout the season.

The main gymnasium also includes a new scoreboard, a brand-new scorer’s table, as well as phone and internet access that allows all Valiant games inside Kennedy Gym to be broadcast as either an audio or video stream. New lighting was recently installed in the gym as well in order to enhance the fan and player experience.

In addition to the main gym, the Kennedy complex also houses a full-length swimming pool as well as the department’s strength & conditioning and sports medicine facilities, which are located on the ground floor of the building and are fully-staffed year round.

Kennedy Gym Facilities

Kennedy Gym’s main attraction, a basketball and volleyball arena, is flanked by strength & conditioning, sports medicine, locker room and office facilities, as well as a full-length swimming pool and dance studio.

All in-season sports have their own space inside Kennedy Gymnasium’s several locker rooms (one of which is pictured to the left), with each player allowed his or her own locker for the full season. Inside the fully-enclosed locker rooms, members of the coaching staff can address their team before, during and after games, while the rooms also serve as a perfect congregating spot for teams at any time throughout the season.

The rest of the locker rooms inside Kennedy Gym include full shower and locker facilities, as well as access to Manhattanville’s swimming pool, strength and conditioning facilities, and athletic training facilities, all of which are fully-staffed year round.

As the day-to-day administrative home of the Manhattanville Athletic Department, the offices of almost all varsity head and assistant coaches at the school are also located within the Kennedy Gym walls, as are the offices of all Manhattanville athletics administrators and support staff.

Manhattanville’s athletic trophies and banners, highlighting the program’s best accomplishments throughout the school’s distinguished athletic history, are also located inside the lobby and main arena of Kennedy Gymnasium. The gym also plays host to several camps and local recreational groups during the summer and throughout the school year.
Support Staff

Focused on the overall development of the student-athlete, the Manhattanville Strength & Conditioning staff maximizes the athletic performance of Valiant athletes by using the most effective and efficient training techniques to compete injury free at the highest level of competition. The aim is to instill a sense of self-discipline, respect and responsibility to achieve the ultimate goal of a team championship.

The strength and conditioning department is housed inside Healthworks, a large, state-of-the-art weight and cardiovascular training facility located on the bottom floor of the Athletic Department hub, Kennedy Gymnasium. The room includes several power development stations, glut ham benches, decline abdominal benches and physioballs and cardiovascular machines that are available for student-athlete use both in and out of season as well as during the summer.

In 2007, Manhattanville College opened the new Richard A. Berman Student Center in the center of campus that includes a first-class workout area for the general student population; as a result, Healthworks is now the exclusive strength and conditioning home of Valiant student-athletes.

Victoria Gagliardi is in her first year as an assistant athletic trainer at Manhattanville.

A 2010 graduate of Sacred Heart University, Gagliardi spent three years as a student assistant and worked with seven of the school’s D-I programs. She was named the school’s Student Athletic Trainer of the Year and also received the school’s Patrick McCaughey Scholarship in 2010.

Gagliardi is NATABOC certified and is also certified by the American Red Cross in CPR/AED for the Lifeguard, and Lifeguarding and First Aid.
Manhattanville College, located just north of New York City in thriving Westchester County, has been educating young people on its beautiful 100-acre campus for over 150 years. With only 1,700 undergraduate students, each student is able to make a personal contribution to the campus community in more than 50 areas of study and 50 campus clubs. Also one of the most diverse campuses in the area, Manhattanville attracts students from 48 states and 76 countries.

SCHOOL HISTORY

Founded in 1841 in a three-story building on Houston Street of Manhattan’s Lower East Side as the Academy of the Sacred Heart, a Catholic boarding school for girls, Manhattanville has been educating students in the New York area for over 150 years.

Six years after its founding in 1847, the academy relocated to an area just north of New York City on a hill overlooking the village of Manhattanville. Destroyed by fire in 1888, the academy was rebuilt on the same foundation and continued to grow both in curriculum and physical environment. In March of 1917 – 76 years after its founding as an academy – Manhattanville was chartered as a college by the New York State Board of Regents, allowing the school to grant undergraduate and graduate degrees for the first time.

Thirty-five years later, in 1952, Manhattanville moved to its current location in Purchase on the former estate of New York Tribune publisher and Ambassador to England Whitelaw Reid. The estate included a mansion, Ophir Hall, which has since been renamed Reid Castle and serves as the centerpiece of Manhattanville’s picturesque Westchester campus.

ABOUT MANHATTANVILLE

At Manhattanville College, rigorous academic preparation within a nurturing environment is matched by personalized attention to every student. Our close-knit community of 1,700 undergraduate students and 1,200 graduate students allows each student to make a personal contribution for the school. The student body also is one of the nation’s most diverse according to the Princeton Review, representing almost every state and more than 75 countries.

With more than 50 areas of undergraduate study, ranging from the Liberal Arts to cross-disciplinary studies such as Environmental Science and professional concentrations such as Business and Museum Studies, our students discover their passions and feel empowered to make a difference in the larger local, national and international communities around us. The school offers Bachelor of Arts, Fine Arts, Music and Science degrees, while also housing a highly respected and blossoming array of graduate programs.

Our students also participate in over 50 social clubs, run an award-winning radio station, and collectively engage in over 30,000 hours of community service each year. Many students also design their own majors by matching interests with courses, providing a unique educational experience both in and out of the classroom.

Our beautiful 100-acre campus with its historic architecture and recent environmentally-responsible buildings is set in thriving Westchester County. Life at Manhattanville blends the leisurely pace of suburbia with the rich cultural resources and fast pace of New York City, which is only thirty minutes away.

THE CORE VALUES

Proudly a value-oriented liberal arts college for more than 150 years, Manhattanville is still guided by the mission “to educate students to become ethically and socially responsible leaders for the global community.”

Manhattanville is committed to following its mission by:

- Ensuring the intellectual, ethical and social development of each student within a community of engaged scholars and teachers;
- Encouraging each student to develop as an independent leader and creative thinker in pursuing career and personal goals; and
- Providing a diverse, inclusive and nurturing environment which develops in each student a commitment to service and leadership within a global community.
A TRADITION OF SERVICE

Co-educational since 1969 and non-denominational in its governance since 1971, Manhattanville’s original vision lives on in the tradition of service begun by the Society of the Sacred Heart. This tradition, which preceded the college’s charter, determined the character the school would have: a firm belief in the liberalizing effect of the liberal arts, a lively sense of tradition, a wide-ranging interest in the most humane manifestations of the human spirit, and a continuing effort to enhance the local community and to accept responsibility for this segment of human history.

As a result, countless students are involved annually in a number of community service and social action programs. Last year, Manhattanville’s students contributed over 30,000 hours of service while gaining valuable experience in such areas as management, teaching and advocacy.

At the heart of Manhattanville’s ethic of community service and service learning is the Duchesne Center for Religion and Social Justice. The center, which coordinates many of Manhattanville’s myriad service programs, serves as the coordinator, catalyst and incubator for community outreach, cultural, leadership and spiritual initiatives both across the Manhattanville campus and beyond.

In addition, the Connie Hogarth Center for Social Action works closely with the Departments of Sociology and Political Science and helps the next generation of college-educated activists acquire the practical skills and knowledge necessary for work in some field of social change.

NEW YORK CITY

While on the school’s beautiful 100-acre campus, students are only a 30-minute car or Metro North train ride from New York City, giving them the chance to blend the leisurely pace of suburban life in Westchester with the most populous and exciting city in the United States.

Manhattanville’s location offers students a unique opportunity to take advantage of all that New York City has to offer. Whether you want to enjoy a Broadway show, catch a professional sports event, tour a museum or art gallery, shop at the world’s best stores, dine at the country’s best restaurants, or simply stroll around and take in the city’s many well-known landmarks such as the Statue of Liberty or Times Square, New York City offers something for everyone to enjoy.

The school’s proximity to the worldwide leader in finance, entertainment, culture and more also offers Manhattanville undergraduate and graduate students a unique and exciting opportunity for jobs and internships both in the city itself and in the thriving New York City suburbs, including right here in Purchase!
