A staple in the New York region and an emerging program on the national stage, the Manhattanville College Athletic Department continues to bolster its reputation as a program on the rise in all areas: athletic achievement, academic success and overall participation.

More than 325 Valiant student-athletes (nearly 20 percent of the student body) took part in intercollegiate athletics during the 2011-12 school year showcasing the continued and rapid growth of athletics at Manhattanville. With women’s golf beginning play as a varsity sport in 2012-13, the program now sponsors 20 competitive intercollegiate teams – including eight teams that have been established or re-established since 2007 alone.

And teams at Manhattanville do not just compete, they win. Three teams earned conference regular-season or tournament championships in 2011-12 and two Valiant squads (men’s soccer and men’s golf) made an appearance in the NCAA Tournament. Fifteen of 21 Valiant squads earned berths in their respective conference championships last year, including the third straight title and seventh in 11 seasons for men’s golf. In addition, the men’s hockey, men’s golf and women’s hockey teams all received national rankings over the course of the year.

On an individual level, many Valiant student-athletes were honored in 2011-12 as well, led by All-America selections Eros Olazabal (men’s soccer) and Dan Fiorito (baseball). Manhattanville also boasted three Freedom Conference Players of the Year and two Freedom Rookies of the Year to go with 47 combined All-Conference honorees. In recent years, at least 35 former Valiants have gone on to play their sport professionally either domestically or overseas as well.

But at Manhattanville, athletics is only one part of becoming a well-rounded student-athlete. In the classroom, Valiant athletes consistently achieve higher grade-point averages than the student body as a whole, as evidenced by the 3.219 Athletic Department GPA for the Spring 2012 semester and the fact that all but one Valiant teams recorded a team GPA of 3.000 or higher for the spring term. In addition, men’s tennis senior Michael Capozzi became the department’s first two-time CoSIDA Academic All-American and was one of two CoSIDA Academic All-District representatives, while the department also boasted 89 Academic All-Conference honorees and two MAC Scholar-Athletes of the Year.

Community service also continues to play a vital role in the student-athlete experience at Manhattanville, as each team performs hundreds of community service hours each year. In addition to active involvement with many local sports teams and youth organizations both on and off campus, Valiant teams sponsor events such as the women’s basketball “Pink Zone” night and the annual “Soccer for a Cure” event to promote cancer awareness. As a result of these and other efforts, the school was the recipient of two Jostens/NADIIIAA Community Service Awards in 2009, one of only 13 institutions honored and the only school to receive two awards. The service aspect of the Valiant student-athlete experience plays a large role in helping Valiant athletes fulfill the college’s mission of educating students to be ethically and socially responsible leaders in a global community.

Director of Sports Information Steve Sheridan and Assistant Director Sean Engel will call the action from GoValiants.com Field through the school’s partnership with Pack Network. For more information, a complete broadcast schedule or to watch the broadcasts, log on to www.GoValiants.TV.

CREDENTIAL REQUESTS: Members of the media wishing to attend any Manhattanville field hockey match must contact the Sports Information Department in advance. Limited seating and phone access for games is available for working media in the press box of GoValiants.com Field. Game programs and updated statistics for both teams will be available in the press box prior to the game. Following the match, a final box score will be made available to media outlets and can be faxed or e-mailed to requested outlets.

INTERVIEW POLICY: All interview requests for Valiant student-athletes and coaches must be made through the Manhattanville Sports Information Department. Media planning to attend practice should contact the Sports Information office to confirm practice times and player/coach availability. Game-day interviews prior to the match are not permitted. Coach Kelly and requested student-athletes will be available to credentialed media members after a 10-minute cooling-off period following the match.

FROM SOUTH: Deegan Expressway/New York State Thruway (I-87) north to Exit 8. Follow the Cross Westchester Expressway (I-287) East to the Hutchinson River Parkway. Head north on Hutchinson River Parkway to Exit 27 (in New York, not Connecticut) at Route 120 (Purchase Street). Turn left onto Purchase Street and follow to campus entrance on left.

FROM NORTH: Take the Taconic State Parkway South to Cross Westchester Expressway (I-287) east to Exit 8E (Westchester Ave.). Take second left onto Anderson Hill Road. Make right at first traffic light (Purchase Street) and proceed to campus entrance on right.

FROM WEST: Take the Tappan Zee Bridge (I-287) and continue on the Cross Westchester Expressway (I-287) East, then follow the directions above from the north after the Taconic State Parkway.

COMMERCIAL VEHICLES: The Hutchinson River Parkway, Taconic State Parkway, Saw Mill Parkway, Merritt Parkway, Sprain Brook Parkway and Bronx River Parkway all have severe height clearance limitations and do not permit most commercial vehicles. As an alternate route, use I-87 from the south or west, or I-95 from the east, to I-287 and follow directions above. From the north, use I-684 south, get off at Exit 2 (Westchester Airport) and follow Route 120 South/Purchase Street to campus.

Athletic Administration

Director of Athletics Keith Levinthal

Tenth Year • Hobart ’95

Keith Levinthal begins his 10th full year as Director of Athletics at Manhattanville College in 2012-13 and continues to establish the school as a regional and national leader in athletic success, academic achievement and community involvement. The architect and head coach of Manhattanville’s nationally recognized men’s hockey program before stepping aside in October 2011, Levinthal continues his role in keeping Manhattanville in the local, regional and national spotlight.

Levinthal has led the Valiant athletic program to unprecedented heights in recent years, as Manhattanville has collected 52 conference championships – 26 regular-season championships and 26 tournament titles – in the last eight seasons alone. In that span, the program has also produced 27 conference Players of the Year, 15 All-American selections and one National Player of the Year.

As a head coach with the men’s hockey team, Levinthal stepped aside with the most wins of any mentor in Manhattanville department history, posting a 202-84-28 (.688) record in 12 seasons and twice earning ECAC West Conference Coach of the Year honors. He left as the 14th winningest coach in NCAA hockey history (all Divisions) and sixth among Division III leaders in terms of winning percentage, and led the team to four NCAA Tournaments, four ECAC West Tournament titles and a pair of first-place finishes in the ECAC West regular-season standings.

Under Levinthal’s guidance, Manhattanville has continued its强势 current string of very successful seasons in 2011-12, with both the men’s soccer and men’s golf teams earning berths in the NCAA Tournament and 15 teams overall reaching postseason play. The men’s soccer team picked up the program’s first-ever at-large bid after a program-record 15-win season, while the men’s golf team dominated the field with a 55-stroke victory at the Freedom Conference Championships and also earned the first national ranking in program history as well during the fall. A pair of Valiants - men’s soccer junior Eros Olazabal and baseball senior Dan Fiorito - were honored as All-Americans by the end of the year, while two student-athletes (Emil Sjoberg and Michael Capozzi) were named MAC Scholar-Athletes of the Year as well.

In 2007-08, Levinthal guided the Athletics Department as it transitioned from the Skyline Conference to the Freedom Conference and also reintroduced volleyball and cross country programs to the school. The Valiants saw immediate success in its new conference as two teams clinched Freedom Conference regular-season championships and three programs won conference tournaments in advancing to the NCAA Tournament. The women’s hockey team advanced to the program’s third National Championship game, while the women’s soccer team reached the NCAA Tournament for the first time in program history.

Levinthal also led the Valiants to a record-breaking year in their final season in the Skyline Conference in 2006-07, as a program-record six teams won conference championships and a record five teams qualified for the NCAA Tournament. His men’s hockey team spent 13 consecutive weeks as the top-ranked team in the nation and earned its first-ever berth in the national semifinals, while goaltender Andrew Gallant became the first Manhattanville student-athlete to be named a National Player of the Year. Six coaches were named as conference Coach of the Year, while a program-best four Valiant student-athletes were also named CoSIDA/ESPN The Magazine Academic All-District honorees. And, for the first time ever, Valiant teams won more league championships than any other Skyline Conference team.

Levinthal saw immediate athletic success during his first full year at the helm, as all 14 of Manhattanville’s athletic programs participated in postseason play during the 2003-04 year. Four teams earned bids to the ECAC postseason tournaments, while the women’s ice hockey program earned its third consecutive NCAA Tournament appearance. In 2004, Levinthal also received the honor of beginning a four-year term on the NCAA Men’s and Women’s Ice Hockey Rules Committee, serving as one of 13 overall members and one of just four from Division III institutions.

But in addition to athletic success, at the heart of every successful program lie sound resources for its lifeblood – its student-athletes. Therefore, Levinthal has made it a priority to provide the resources needed to create an environment in which Manhattanville student-athletes can achieve at the highest level in all areas: academically, socially and athletically.

A 1995 graduate of Hobart College, Levinthal is committed to developing all aspects of the athletics program. In his tenure at Manhattanville, Levinthal’s agenda has included:

Student-Athlete Development - Manhattanville continues to be on the cutting edge in the total development of its student-athletes. Valiant student-athletes have exhibited a strong presence and desire to serve the New York area. All varsity teams participate in outreach activities, positively impacting numerous area youth groups, hospitals, schools and agencies.

Professionalism - Under Levinthal’s guidance, Manhattanville athletics received a much-needed face-lift. With a new website, logo, team colors and method of business, he has streamlined and energized the department. The result has been increased exposure to Manhattanville student-athletes, improved performance both on and off the field, and increased support from fans and alumni.

Exposure - Manhattanville Athletics continues to maintain a strong presence on national and regional media outlets. Levinthal has helped increase the program’s media opportunities as well as displaying the values of the Valiants constantly in the public eye.

Assistant Director of Athletics Julene Fisher

Eighth Year • Marymount ’02

Julene Fisher enters her eighth year as Assistant Athletic Director and Senior Woman Administrator, and her 10th year overall within the Manhattanville Athletic Department in 2012-13.

As Assistant Athletic Director, Fisher is responsible for assisting the athletic director in an administrative capacity. She handles the scheduling for all of Manhattanville’s 21 sports and also handles travel accommodations and assignment of the department’s student workers.

A former Assistant Sports Information Director at Manhattanville, Fisher also has assisted the Sports Information Department by serving as official scorer for baseball games.

Fisher began her tenure at Manhattanville as an administrative assistant in the Manhattanville development office before moving over to the Athletic Department. Fisher graduated from Marymount College in 2002 as an English/Journalism major. She served as the editor-in-chief of Marymount’s student newspaper, The Cormont, and also was a four-year letterwinner in both swimming and softball at the school.

In television, she worked in conjunction with ABC News, the Discovery Channel and HBO to produce the hit series, “The Justice Files”, as well as HBO’s Emmy award winning documentary “In Memoriam: New York City, 9/11”.

2 2012 MANHATTANVILLE FIELD HOCKEY MEDIA GUIDE
Head Coach Kevin Kelly
Fifth Season • Saint Michael's '73

Kevin Kelly returns for his fifth season at the helm of the Manhattanville field hockey program in 2012, continuing the task of returning the Valiants to their position as a conference and regional power.

In his fourth season with the Valiants, Kelly delivered Manhattanville to a Freedom Conference Championship appearance for the first time, as the Valiants made the conference semifinals as the fourth seed. The team came out of the gates hot, tying the program record for best nine-game start to a season with an 8-1 mark that saw the Valiants outscore their opponents by a 34-14 margin. The only loss during the run came to nationally ranked William Smith, while the string finished with a thrilling 3-2 win on the road against perennial conference contender King’s (Pa.).

After the season, four Valiants were named to the All-Freedom Conference second team, the most All-Conference honorees since the program’s first year in the conference in 2003. Sophomore Amanda DeChent had a great first season with the team, ranking second in program history with 36 points as the first player in Valiant history to average more than two points per game.

In 2010, Kelly nearly guided the Valiants to a winning record despite fielding a roster with just four upperclassmen and only one senior, posting a 9-10 overall mark. After a tough start to the year, the squad heated up in the middle of the season, starting with a near upset of #9 Eastern that was followed by a four-game winning streak in which the Valiants outscored their opponents by a 20-4 score.

Manhattanville posted a 7-11 record in Kelly’s second season as head coach in 2009, providing a solid base for future successes. The team’s potential was evident in the season-opening 6-3 win over Keystone College in which five of the team’s six tallies came from freshmen. Other highlights from the year included a dominating 8-0 win over Elms College and a hard-fought 5-4 (OT) victory over Ramapo College.

A trio of Valiants – Jen Ascencio, Maura Bruen and Lauren Rutledge – earned All-Conference honors from the Freedom Conference after the 2009 season, as all three players were named to the second team.

In his first season as a collegiate head coach, Kelly guided the Valiants to a 6-12 record. The team faced a very difficult schedule that featured five nationally ranked opponents, falling to three of those teams by a single goal. In all, 10 of the Valiants’ 18 matches in 2008 were decided by one goal, including five of the team’s six wins.

Kelly came to Manhattanville from Rye High School, where he served as the head coach of the varsity field hockey team for 30 years. He experienced unparalleled success at the school, posting a career record of 391-56-9 (.867), and built a resume that includes four New York State championships, five regional titles and nearly 20 league championships.

Kelly currently resides in Westport, Conn.

Assistant Coach Eileen O’Reilly
Second Season • Franklin & Marshall ’11

Eileen O’Reilly is in her second season as an assistant coach with the Manhattanville field hockey program in 2012.

In her first season with the Valiants, the squad tied the best nine-game start in program history after winning eight of the season’s first nine games and also reached the Freedom Conference Tournament for the first time in six years as the fourth seed.

O’Reilly came to Purchase after a decorated four-year career on the field hockey field at Franklin & Marshall College, where she was a four-year starter and senior captain for the Diplomats. She was named to the NFHCA All-South Region and All-Centennial Conference first team as a senior after scoring nine goals with 11 assists for a career-high 29 points, following up an All-Conference second-team honor in 2009. She finished her career as the school’s all-time leader in assists (35) and game-winning goals (eight), while also ranking fifth in points (95) and ninth in goals (30).

Off the field, O’Reilly was a four-time NFHCA and Centennial Conference Academic Honor Roll honoree and the 2011 recipient of the Karvasales Award, which is given to a Franklin & Marshall female senior athlete with cumulative outstanding athletic achievements over a four-year period. In addition, she was selected as the Centennial Conference’s nominee for the 2011 NCAA Woman of the Year Award and participated in the conference’s 2011 Snell-Shillingford coaching symposium.

O’Reilly graduated from Franklin & Marshall in May 2011 with a bachelor’s degree in Spanish and American Studies, graduating magna cum laude and as a member of Phi Beta Kappa.

A native of Mamaroneck, N.Y., O’Reilly currently resides in Purchase as she pursues her graduate degree at Manhattanville.

The Freedom Conference

With the exception of the Valiant men’s and women’s hockey teams, all 20 Manhattanville varsity sports have competed under the umbrella of the Middle Atlantic Conferences since joining the conference prior to the 2007-08 school year.

Founded in 1912 and celebrating its 100th year in existence this year, the MAC is one of the oldest intercollegiate athletic associations in the United States. An umbrella organization consisting of three conferences – Commonwealth, Freedom and Middle Atlantic – the MAC sponsors 23 Division III sports and boasts 18 current member schools, including recent additions Hood and Stevenson.

With the exception of cross country, indoor/outdoor track and women’s golf, all Manhattanville sports compete in the very competitive Freedom Conference alongside seven other institutions. As a result, every Valiant athletic team receives the opportunity to annually compete for a conference title and an automatic berth into the NCAA Tournament.

The Manhattanville field hockey program under fifth year head coach Kevin Kelly looks to make the Freedom Conference Championship for the second consecutive year after having a successful 11-8 season with a 4-3 record in conference play in 2011.

The team will feature a large number of both returning and experienced players at the collegiate level as well as a mixture of youth and energy from an incoming new group of players. Several seniors headline the group of returners coming back to the 2012 squad including Kayla Meenan who was a member of the Freedom Conference Second Team after scoring 11 goals and picked up five helpers for 27 points to give her 81 for her career.

Meenan is joined by fellow seniors Sarah Mason and Melissa Goncalves who played large roles on the defensive side of the ball as the center halfback and the monster back positions respectively. All three seniors look to continue their already successful careers while mentoring the underclassmen as they pursue a second consecutive Freedom Conference Championship appearance.

This season the Valiants were selected to finish in the same position they ended last season as the #4 seed as voted upon by the coaches amongst the eight teams within the Freedom Conference. With five first place votes and 47 overall points the teams will look to chase their already successful careers while mentoring the underclassmen as they pursue a second consecutive Freedom Conference Championship appearance.

With five first place votes and 47 overall points the teams will look to chase the Eastern Eagles as the preseason favorite.

FORWARDS

While Meenan is on pace to become one of the most decorated players in program history, she will have some help up front in the forward position from several other players including classmate Lindsey Stebenne as well as junior Amanda DeChent. In Stebenne, the senior scored once last season in the conference finale against FDU-Florham after seeing action in 13 of the team’s 19 games a year ago. DeChent adds another dynamic offensively after leading the team in goals with 13, assists with 10, and points with 36.

Joining the mix in the forward unit is junior transfer Kirsten Savage who comes over from Division I Sacred Heart University after spending two years with the Pioneer softball team. Also into the fold are a pair of freshmen as Rylee McGuire comes to Manhattanville from New Hampshire, while Sharon Konfederak makes her way from Buenos Aires, Argentina.

MIDFIELDERS

While Goncalves will anchor the midfield unit, she’ll be joined by several players who will look to take the next step forward in their careers. Senior Rebecca McClintock will look for additional playing time after recording minutes in five games last season while recording one shot.

Sophomore Sydney Asselstine will also be back and also look for more consistent minutes after seeing action in 17 games while getting the start in three contests. Primarily a defensive-minded midfielder, Asselstine did add three assists offensively over the course of the 2011 campaign.

A trio of newcomers will look to push for minutes as well as Gloria Fletes, Breanna O’Neill and Morgan Parsons put on the Valiant uniform for the first time this fall.

DEFENSE

With Mason the primary cog on the defensive side of the ball, she has the deepest group of returners to help the back line heading into the new season. Juniors Meg Wittner and Julia Esposito will be back for their third season in the crimson and white after starting in more than half the games for Manhattanville last year.

Three sophomores also come back to purchase for year two of their careers as Carly Bruno, Kateri Fischer and Drew Moore all return to the Valiant defensive line. Bruno was tied for second on the team in defensive saves with two after Wittner led the team with four.

Another three additional players will also be looking to push all of the returners for playing time as Renee LaFosse, Toni Moricone and Amy Russo come to Manhattanville for their first season of field hockey play.

GOALKEEPERS

Two goalkeepers will be on the roster this season looking for the right combination to guide the team back to the Freedom Conference Championship. Last season junior Amy Hilton played every minute for the Valiants and held opponents to 2.63 goals per game, she also made 95 saves while accumulating 11 wins, two of which were shutouts. For her career, Hilton has 13 wins with a goals against average of 2.38 for her two seasons thus far.

Into the goalie fold is newcomer Courtney Ponte who enters with a solid high school resume while playing for a competitive Johnstown High School in upstate New York. Ponte was a four year member of the varsity field hockey squad as well as a member of multiple travel teams as she prepared herself for the collegiate level.

SCHEDULE

The Valiants play seven of their first eight games away from GoValiants.com Field to start the season which kicks off at the Stevens Tournament on August 31 when the Valiants take on Juniata at 7:30 p.m. The next day they take on the host team Stevens before returning for their home opener against Mercy on September 4 at 4:00 p.m. The next weekend Manhattanville returns to Vassar in Poughkeepsie, N.Y. to defend their Betty Richey Tournament title that they had won a season ago.

The third and final in-season tournament takes place the following weekend when Manhattanville takes on two solid teams out of the Liberty League as part of the William Smith Tournament on September 15 and 16. The Valiants take one more stop on the road at Eastern Connecticut State before making their way home to open the conference portion of their schedule at home against King’s (Pa.) on September 22.

A few more non-conference games will be scattered throughout the remainder of the conference schedule including games against Hartwick (Oct. 2), Rivier (Oct. 7), Western Connecticut (Oct. 10) before the Valiants wrap up the regular season against defending national champion College of New Jersey on October 26. The Freedom Conference Championship begins on October 31 with the semifinal round before a new champion will be crowned on November 3 with the winner gaining the league’s automatic bid to the 2012 NCAA Tournament.

Facilities

GoValiants.com Field

Completed just before the start of the 2005 fall season, GoValiants.com Field is one of the top outdoor facilities in the Northeast, and home to the Manhattanville field hockey, men’s and women’s soccer, and men’s and women’s lacrosse programs.

Surrounded by a four-pillar lighting system, scoreboard, fully equipped press box and bleacher-style seating, GoValiants.com Field is made up of state-of-the-art Field Turf, a technology that emulates the stability and resilience of natural grass without the obvious maintenance. The field’s durability and elaborate drainage system allow the Valiants to play in all kinds of weather and also allow all 21 Manhattanville athletic teams to make use of the program for training, practice and games.

The field itself measures 120 x 72 yards and the four light poles – each 90-feet high – let the Valiants play under the lights several times each year, something few other Division III programs can do with regularity.

The press box at GoValiants.com Field is wired for Internet and phone access, allowing for live video broadcasts of Valiant athletic contests through GoValiants.TV and audio broadcasts via WMVL 88.1 FM, as well as live stats produced for every Valiant home game. There are also ample electrical outlets and a photography bay above the press box for use by media and team personnel. A high-powered sound system used for pre-and in-game announcements is also housed in the press box.

Adjacent to the GoValiants.com Field is another valuable outdoor athletic venue, Manhattanville’s outdoor grass field. The regulation-size grass field was rebuilt in 2005 and also plays host to several soccer matches during the year. While not equipped with lights, the grass field does possess a brand new scoreboard, which can be accessed through the press box at GoValiants.com Field.

Manhattanville’s first win at GoValiants.com Field came courtesy of the women’s soccer team, which defeated the SUNY Institute of Technology, 2-0, in the opening game of the Valiant Cup on September 3, 2005.

The field hockey team posted a 6-4 record in its first season on the new turf in 2005 and won three of their first four home matches, including a 3-1 victory over New England College in its first home contest on September 8, 2005. The Valiants won a program-record seven home games two seasons later in 2007.

Kennedy Gymnasium

Dedicated in October 1957 by the family of eventual United States President John F. Kennedy, Kennedy Gymnasium is the day-to-day home of the Manhattanville Department of Athletics and also serves as the home court for the Valiant men’s and women’s basketball and women’s volleyball programs.

With balcony and ground-level seating for 1,000 spectators, Kennedy Gymnasium gives the Manhattanville teams that play inside it a loud and imposing home-court advantage. With bleachers lining the near sideline of the court and a large balcony overhanging the bleachers, there is plenty of room for Valiant friends, family and fans to cheer on their favorite Manhattanville teams throughout the season.

The main gymnasium also includes a new scoreboard, a brand-new scorer’s table, as well as phone and internet access that allows all Valiant games inside Kennedy Gym to be broadcast as either an audio or video stream. New lighting was recently installed in the gym as well in order to enhance the fan and player experience.

In addition to the main gym, the Kennedy complex also houses a full-length swimming pool as well as the department’s strength & conditioning and sports medicine facilities, which are located on the ground floor of the building and are fully-staffed year round.

Kennedy Gym Facilities

Kennedy Gym’s main attraction, a basketball and volleyball arena, is flanked by strength & conditioning, sports medicine, locker room and office facilities, as well as a full-length swimming pool and dance studio.

All in-season sports have their own space inside Kennedy Gymnasium’s several locker rooms (one of which is pictured to the left), with each player allowed his or her own locker for the full season. Inside the fully-enclosed locker rooms, members of the coaching staff can address their team before, during and after games, while the rooms also serve as a perfect congregating spot for teams at any time throughout the season.

The rest of the locker rooms inside Kennedy Gym include full shower and locker facilities, as well as access to Manhattanville’s swimming pool, strength and conditioning facilities, and athletic training facilities, all of which are fully-staffed year round.

As the day-to-day administrative home of the Manhattanville Athletic Department, the offices of almost all varsity head and assistant coaches at the school are also located within the Kennedy Gym walls, as are the offices of all Manhattanville athletics administrators and support staff.

Manhattanville’s athletic trophies and banners, highlighting the program’s best accomplishments throughout the school’s distinguished athletic history, are also located inside the lobby and main arena of Kennedy Gymnasium. The gym also plays host to several camps and local recreational groups during the summer and throughout the school year.
Support Staff

Focused on the overall development of the student-athlete, the Manhattanville Strength & Conditioning staff maximizes the athletic performance of Valiant athletes by using the most effective and efficient training techniques to compete injury free at the highest level of competition. The aim is to instill a sense of self-discipline, respect and responsibility to achieve the ultimate goal of a team championship.

The strength and conditioning department is housed inside Healthworks, a large, state-of-the-art weight and cardiovascular training facility located on the bottom floor of the Athletic Department hub, Kennedy Gymnasium. The room includes several power development stations, glit ham benches, decline abdominal benches and physio and cardiovascular machines that are available for student-athlete use both in and out of season as well as during the summer.

In 2007, Manhattanville College opened the new Richard A. Berman Student Center in the center of campus that includes a first-class workout area for the general student population; as a result, Healthworks is now the exclusive strength and conditioning home of Valiant student-athletes.

Head Coach Corey Crane

Fifth Season - Northern Iowa ’97

Corey Crane is in the fourth season of his second stint as Manhattanville’s Head Strength and Conditioning Coach and also serves as the school’s Assistant Athletic Director for Academics.

Crane is responsible for managing and providing the design, implementation, supervision and evaluation of the strength and conditioning program utilized by the school’s 22 varsity sports.

Crane brings a wealth of strength and conditioning experience to Manhattanville. He previously spent two years as the Associate Head Strength and Conditioning Coach at the United States Military Academy at West Point, working with all of the school’s 17 sports but focusing primarily on the Academy’s football, men’s lacrosse, hockey and volleyball programs.

Crane also has worked as the Head Strength and Conditioning Coach at Western Illinois University during the 2005-06 school year and previously spent one year in Purchase as Manhattanville’s Head Strength and Conditioning Coach before taking an assistant position at Army for four years.

Graduate Assistant Coach Jason Ward

Second Season - SUNY Albany ’07

Jason Ward is in his second season as the assistant strength and conditioning coach at Manhattanville in 2012-13.

In his role, Ward works with head coach Corey Crane to manage and provide the design, implementation, supervision and evaluation of the strength and conditioning program utilized by all 22 Manhattanville varsity sports.

Outside the Manhattanville realm, Ward is a professional Mixed Martial Arts fighter and has competed at both the amateur and professional levels.

A graduate of SUNY Albany, he received a bachelor’s degree in sociology with a concentration in criminal justice in 2007. He currently resides in New Rochelle, N.Y., as he pursues his graduate degree at Manhattanville.

Head Trainer Scott McIver

Ninth Season - Iona ’83

Scott McIver, MS, ATC, is in his ninth season as the head athletic trainer at Manhattanville. McIver previously served as the school’s head trainer from 2000-02 before returning to the school before the 2006-07 school year.

After departing Manhattanville in 2002, McIver was named the head athletic trainer at Iona Prep High School, providing coverage for 20 sports and 250 student-athletes. Before his first stint in Purchase, McIver served as an associate athletic trainer at Pace University for 12 years from 1989 to 2000, coordinating athletic training coverage and strength and conditioning for all Setter sports.

McIver received his master’s degree in Athletic Training and Exercise Science from Long Island University in 1990 and his bachelor’s degree in Psychology from Iona College in 1983. A member of the National Athletic Trainers Association and American Orthotic and Prosthetic Association, he is also an Emergency Medical Technician and a licensed massage therapist.

Assistant Trainer Cameron Hillis

First Season - Connecticut ’91

Cameron Hillis, MS, ATC, enters his first season as the assistant athletic trainer at Manhattanville in 2012-13.

Hillis comes to Manhattanville after spending the last four years as the head athletic trainer at the Pine Crest School in Fort Lauderdale, Fla., where he oversaw games and practices for all 20 varsity sports. Prior to that, Hillis served as the head athletic trainer at Dominican College in Orangeburg, N.Y. from 2003-07, covering 11 Division II varsity sports and managing a staff of assistant trainers and interns.

Hillis earned his master’s degree in Health Science from Nova Southeastern University in 2010 and his bachelor’s degree in Human Development from the University of Connecticut in 1991. He is a member of the National Athletic Trainers Association and the National Strength and Conditioning Association, and is also certified by the American Red Cross in CPR for the Professional Rescuer.

Sports Medicine

The Sports Medicine facilities at Manhattanville are located inside the hub of Manhattanville Athletics, Kennedy Gym, and are the only place where Valiant student-athletes from all 22 varsity sports come to receive comprehensive health care from any of the department’s fully-certified, full-time athletic trainers.

The athletic training staff has five main objectives: prevention of athletic injuries; recognition, evaluation and treatment of injuries that do occur; rehabilitation; health care administration; and professional development. The athletic training staff also has on-campus access to state-of-the-art training methods, including ultrasound capability, electrical muscle stimulation and whirlpool treatments.

The training staff is also privileged to be affiliated with some of the best physicians in the Westchester area, benefiting from a close relationship with Plancher Orthopedics and Sports Medicine and head team physician Dr. Kevin Plancher, who works out of nearby Greenwich, Conn.

The Manhattanville Sports Medicine staff can be contacted throughout the day via phone (914-323-7276), fax (914-323-7212) or email (mciver@govaliants.com).

Graduate Assistant Trainer Victoria Gagliardi

Second Season - Sacred Heart ’10

Victoria Gagliardi is in her second year as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2012-13.

A 2010 graduate of Sacred Heart University, Gagliardi spent three years working as a student assistant as an undergraduate and worked with seven of the school’s Division I programs. She was named the school’s Student Athletic Trainer of the Year as a senior and also received the school’s Patrick McCaughy Scholarship in 2010.

Gagliardi is NATABOC certified and is also certified by the American Red Cross in CPR/AED for the Lifeguard, and Lifeguarding and First Aid.

Graduate Assistant Trainer Janine Bernardo

First Season - Springfield ’11

Janine Bernardo is in her first year as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2012-13.

A 2011 graduate of Springfield College, she has been working since March at Professional Orthopedic and Sports Physical Therapy in midtown Manhattan as an athletic trainer. She previously was an athletic training intern at the ESPN Wide World of Sports Complex in Orlando.

Bernardo is a member of the National Athletic Trainers Association, is NATABOC and CPR/AED certified, and is also a certified first responder.
Manhattanville College, located just north of New York City in thriving Westchester County, has been educating young people on its beautiful 100-acre campus for over 150 years. With only 1,700 undergraduate students, each student is able to make a personal contribution to the campus community in more than 50 areas of study and 50 campus clubs. Also one of the most diverse campuses in the area, Manhattanville attracts students from 48 states and 76 countries.

SCHOOL HISTORY
Founded in 1841 in a three-story building on Houston Street of Manhattan’s Lower East Side as the Academy of the Sacred Heart, a Catholic boarding school for girls, Manhattanville has been educating students in the New York area for over 150 years.

Six years after its founding in 1847, the academy relocated to an area just north of New York City on a hill overlooking the village of Manhattanville. Destroyed by fire in 1888, the academy was rebuilt on the same foundation and continued to grow both in curriculum and physical environment. In March of 1917 – 76 years after its founding as an academy – Manhattanville was chartered as a college by the New York State Board of Regents, allowing the school to grant undergraduate and graduate degrees for the first time.

Thirty-five years later, in 1952, Manhattanville moved to its current location in Purchase on the former estate of New York Tribune publisher and Ambassador to England Whitelaw Reid. The estate included a mansion, Ophir Hall, which has since been renamed Reid Castle and serves as the centerpiece of Manhattanville’s picturesque Westchester campus.

ABOUT MANHATTANVILLE
At Manhattanville College, rigorous academic preparation within a nurturing environment is matched by personalized attention to every student. Our close-knit community of 1,700 undergraduate students and 1,200 graduate students allows each student to make a personal contribution for the school. The student body also is one of the nation’s most diverse according to the Princeton Review, representing almost every state and more than 75 countries.

With more than 50 areas of undergraduate study, ranging from the Liberal Arts to cross-disciplinary studies such as Environmental Science and professional concentrations such as Business and Museum Studies, our students discover their passions and feel empowered to make a difference in the larger local, national and international communities around us. The school offers Bachelor of Arts, Fine Arts, Music and Science degrees, while also housing a highly respected and blossoming array of graduate programs.

Our students also participate in over 50 social clubs, run an award-winning radio station, and collectively engage in over 30,000 hours of community service each year. Many students also design their own majors by matching interests with courses, providing a unique educational experience both in and out of the classroom.

Our beautiful 100-acre campus with its historic architecture and recent environmentally-responsible buildings is set in thriving Westchester County. Life at Manhattanville blends the leisurely pace of suburbia with the rich cultural resources and fast pace of New York City, which is only thirty minutes away.

THE CORE VALUES
Proudly a value-oriented liberal arts college for more than 150 years, Manhattanville is still guided by the mission “to educate students to become ethically and socially responsible leaders for the global community.”

Manhattanville is committed to following its mission by:
• Ensuring the intellectual, ethical and social development of each student within a community of engaged scholars and teachers;
• Encouraging each student to develop as an independent leader and creative thinker in pursuing career and personal goals; and
• Providing a diverse, inclusive and nurturing environment which develops in each student a commitment to service and leadership within a global community.
A TRADITION OF SERVICE
Co-educational since 1969 and non-denominational in its governance since 1971, Manhattanville’s original vision lives on in the tradition of service begun by the Society of the Sacred Heart. This tradition, which preceded the college’s charter, determined the character the school would have: a firm belief in the liberalizing effect of the liberal arts, a lively sense of tradition, a wide-ranging interest in the most humane manifestations of the human spirit, and a continuing effort to enhance the local community and to accept responsibility for this segment of human history.

As a result, countless students are involved annually in a number of community service and social action programs. Last year, Manhattanville’s students contributed over 30,000 hours of service while gaining valuable experience in such areas as management, teaching and advocacy.

At the heart of Manhattanville’s ethic of community service and service learning is the Duchesne Center for Religion and Social Justice. The center, which coordinates many of Manhattanville’s myriad service programs, serves as the coordinator, catalyst and incubator for community outreach, cultural, leadership and spiritual initiatives both across the Manhattanville campus and beyond.

In addition, the Connie Hogarth Center for Social Action works closely with the Departments of Sociology and Political Science and helps the next generation of college-educated activists acquire the practical skills and knowledge necessary for work in some field of social change.

NEW YORK CITY
While on the school’s beautiful 100-acre campus, students are only a 30-minute car or Metro North train ride from New York City, giving them the chance to blend the leisurely pace of suburban life in Westchester with the most populous and exciting city in the United States.

Manhattanville’s location offers students a unique opportunity to take advantage of all that New York City has to offer. Whether you want to enjoy a Broadway show, catch a professional sports event, tour a museum or art gallery, shop at the world’s best stores, dine at the country’s best restaurants, or simply stroll around and take in the city’s many well-known landmarks such as the Statue of Liberty or Times Square, New York City offers something for everyone to enjoy.

The school’s proximity to the worldwide leader in finance, entertainment, culture and more also offers Manhattanville undergraduate and graduate students a unique and exciting opportunity for jobs and internships both in the city itself and in the thriving New York City suburbs, including right here in Purchase!

MY SOLDIER
Manhattanville’s most well-known social action program was founded by a Valiant student-athlete, men’s soccer player Juan Salas, a naturalized U.S. citizen originally from Venezuela who saw active combat duty in Iraq and was commended for saving the life of a child during his tour.

Salas said his mission in Iraq was to “win the hearts and minds of the Iraqi people,” but he continued that while the service was at times challenging: “It was the letters that kept me going,” he said. “From kids, boy scouts, students. A letter was like a piece of gold, something you want to keep for the rest of your life.”

When Salas got back to Manhattanville, he wanted to help his fellow soldiers overseas and approached then-College President Richard A. Berman with an idea. Together with Berman and administrator Anne Gold, they launched the My Soldier program on February 14, 2004.

Participants in the My Soldier program, who were not limited to Manhattanville students, sent letters and occasional care packages overseas to boost the quality of life for American troops.

A non-politically affiliated program, My Soldier was wildly successful, with participants from all 50 states and over 400,000 people in total, reaching more than 175,000 U.S. troops.

In the classroom, students have the opportunity to choose over 50 different fields of undergraduate study at Manhattanville; outside of it, there are at least 50 extracurricular clubs and organizations available for students to discover and cultivate their passions.
