A staple in the New York region and an emerging program on the national stage, the Manhattanville College Athletic Department continues to bolster its reputation as a program on the rise in all areas: athletic achievement, academic success and overall participation.

More than 325 Valiant student-athletes (nearly 20 percent of the student body) took part in intercollegiate athletics during the 2011-12 school year showcasing the continued and rapid growth of athletics at Manhattanville. With women’s golf beginning play as a varsity sport in 2012-13, the program now sponsors 20 competitive intercollegiate teams — including eight teams that have been established or re-established since 2007 alone.

And teams at Manhattanville do not just compete, they win. Three teams earned conference regular-season or tournament championships in 2011-12 and two Valiant squads (men’s soccer and men’s golf) made an appearance in the NCAA Tournament. Fifteen of 21 Valiant squads earned berths in their respective conference championships last year, including the third straight title and seventh in 11 seasons for men’s golf. In addition, the men’s hockey, men’s golf and women’s hockey teams all received national rankings over the course of the year.

On an individual level, many Valiant student-athletes were honored in 2011-12 as well. By All-America selections Eros Olazabal (men’s soccer) and Dan Fiorito (baseball), Manhattanville also boasted three Freedom Conference Players of the Year and two Freedom Rookies of the Year to go with 47 combined All-Conference honorees. In recent years, at least 35 former Valiants have gone on to play their sport professionally either domestically or overseas as well.

But at Manhattanville, athletics is only one part of becoming a well-rounded student-athlete. In the classroom, Valiant athletes consistently achieve higher grade-point averages than the student body as a whole, as evidenced by the 3.219 Athletic Department GPA for the Spring 2012 semester and the fact that all but one Valiant team recorded a team GPA of 3.000 or higher for the spring term. In addition, men’s tennis senior Michael Capozzi became the department’s first two-time CoSIDA Academic All-American and was one of two CoSIDA Academic All-District representatives, while the department also boasted 99 Academic All-Conference honorees and two MAC Scholar-Athletes of the Year.

Community service also continues to play a vital role in the student-athlete experience at Manhattanville, as each team performs hundreds of community service hours each year. In addition to active involvement with many local sports teams and youth organizations both on and off campus, Valiant teams sponsor events such as the women’s basketball “Pink Zone” night and the annual “Soccer for a Cure” event to promote cancer awareness. As a result of those and other efforts, the school was the recipient of two Jostens/NADIIIAA Community Service Awards in 2009, one of only 13 institutions honored and the only school to receive two awards. The service aspect of the Valiant student-athlete experience plays a large role in helping Valiant athletes fulfill the college’s mission of educating students to be ethically and socially responsible leaders in a global community.

BROADCAST: Most (if not all) Valiant men's soccer home matches this season will be broadcast live as a video stream through the home of Manhattanville Athletics video broadcasting, GoValiants.TV. Director of Sports Information Steve Sheridan and Assistant Director Sean Engel will call the action from GoValiants.com Field through the school's partnership with Pack Network. For more information, a complete broadcast schedule or to watch the broadcasts, log on to www.GoValiants.TV.

CREDENTIAL REQUESTS: Members of the media wishing to attend any Manhattanville men's soccer match must contact the Sports Information Department in advance. Limited seating and phone access for games is available for working media in the press box of GoValiants.com Field. Game programs and updated statistics for both teams will be available in the press box prior to the game. Following the match, a final box score will be made available to media outlets and can be faxed or e-mailed to requested outlets.

INTERVIEW POLICY: All interview requests for Valiant student-athletes and coaches must be made through the Manhattanville Athletics Department. Media planning to attend practice should contact the Sports Information office to confirm practice times and player/coach availability. Game-day interviews prior to a match are not permitted. Coach Miller and requested student-athletes will be available to credentialed media members after a 10-minute cooling-off period following the match.

DIRECTIONS TO GOWALIANTS.COM FIELD

FROM SOUTH: Deegan Expressway/New York State Throughway (I-87) north to Exit 8. Follow the Cross Westchester Expressway (I-287) East to the Hutchinson River Parkway. Head north on Hutchinson River Parkway to Exit 27 (in New York, not Connecticut) at Route 120 (Purchase Street). Turn left onto Purchase Street and follow to campus entrance on left.

FROM NORTH: Take the Taconic State Parkway South to Cross Westchester Expressway (I-287) east to Exit 8E (Westchester Ave.). Take second left onto Anderson Hill Road. Make right at first traffic light (Purchase Street) and proceed to campus entrance on right.

FROM WEST: Take the Tappan Zee Bridge (I-287) and continue on the Cross Westchester Expressway (I-287) East, then follow the directions above from the north after the Taconic State Parkway.

COMMERCIAL VEHICLES: The Hutchinson River Parkway, Taconic State Parkway, Saw Mill Parkway, Merritt Parkway, Sprain Brook Parkway and Bronx River Parkway all have severe height clearance limitations and do not permit most commercial vehicles. As an alternate route, use I-87 from the south or west, or I-95 from the east, to I-287 and follow directions above. From the north, use I-84 south, get off at Exit 2 (Westchester Airport) and follow Route 120 South/Purchase Street to campus.

Director of Athletics Keith Levinthal
Tenth Year • Hobart ’95

Keith Levinthal begins his 10th full year as Director of Athletics at Manhattanville College in 2012-13 and continues to establish the school as a regional and national leader in athletic success, academic achievement and community involvement. The architect and head coach of Manhattanville’s nationally recognized men’s hockey program before stepping aside in October 2011, Levinthal continues his role in keeping Manhattanville in the local, regional and national spotlight.

Levinthal has led the Valiant athletic program to unprecedented heights in recent years, as Manhattanville has collected 52 conference championships — 26 regular-season championships and 26 tournament titles — in the last eight seasons alone. In that span, the program has also produced 27 conference Players of the Year, 15 All-America selections and one National Player of the Year.

As a head coach with the men’s hockey team, Levinthal stepped aside with the most wins of any mentor in Manhattanville department history, posting a 202-84-28 (.688) record in 12 seasons and twice earning ECAC West Conference Coach of the Year honors. He left as the 14th winningest coach in NCAA hockey history (all Divisions) and sixth among Division III leaders in terms of winning percentage, and led the team to four NCAA Tournaments, four ECAC West Tournament titles and a pair of first-place finishes in the ECAC West regular-season standings.

Under Levinthal’s guidance, Manhattanville as a whole continued its recent string of very successful seasons in 2011-12, with both the men’s soccer and men’s golf teams earning berths in the NCAA Tournament and 15 teams overall reaching postseason play. The men’s soccer team picked up the program’s first-ever at-large bid after a program-record 15-win season, while the men’s golf team dominated the field with a 55-stroke victory at the Freedom Conference Championships and also earned the first national ranking in program history as well during the fall. A pair of Valiants — men’s soccer junior Eros Olazabal and baseball senior Dan Fiorito — were honored as All-Americans by the end of the year, while two student-athletes (Emil Sjoberg and Michael Capozzi) were named MAC Scholar-Athletes of the Year as well.

In 2007-08, Levinthal guided the Athletics Department as it transitioned from the Skyline Conference to the Freedom Conference and also reintroduced volleyball and cross country programs to the school. The Valiants saw immediate success in its new conference as two teams clinched Freedom Conference regular-season championships and three programs won conference tournaments in advancing to the NCAA Tournament. The women’s hockey team advanced to the program’s third National Championship game, while the women’s soccer team reached the NCAA Tournament for the first time in program history.

Levinthal also led the Valiants to a record-breaking year in their final season in the Skyline Conference in 2006-07, as a program-record six teams won conference championships and a record five teams qualified for the NCAA Tournament. His men’s hockey team spent 13 consecutive weeks as the top-ranked team in the nation and earned its first-ever berth in the national semifinals, while goaltender Andrew Gallant became the first Manhattanville student-athlete to be named a National Player of the Year. Six coaches were named as conference Coach of the Year, while a program-best four Valiant student-athletes were also named CoSIDA/ESPN The Magazine Academic All-District honorees. And, for the first time ever, Valiant teams won more league championships than any other Skyline Conference team.

Levinthal saw immediate athletic success during his first full year at the helm, as all 14 of Manhattanville’s athletic programs participated in postseason play during the 2003-04 year. Four teams earned bids to the ECAC postseason tournaments, while the women’s ice hockey program earned its third consecutive NCAA Tournament appearance. In 2004, Levinthal also received the honor of beginning a four-year term on the NCAA Men’s and Women’s Ice Hockey Rules Committee, serving as one of 13 overall members and one of just four from Division III institutions.

But in addition to athletic success, at the heart of every successful program lie sound resources for its lifeblood — its student-athletes. Therefore, Levinthal has made it a priority to provide the resources needed to create an environment in which Manhattanville student-athletes can achieve at the highest level in all areas: academically, socially and athletically.

A 1995 graduate of Hobart College, Levinthal is committed to developing all aspects of the athletics program. In his tenure at Manhattanville, Levinthal’s agenda has included:

Student-Athlete Development - Manhattanville continues to be on the cutting edge in the total development of its student-athletes. Valiant student-athletes have exhibited a strong sense of purpose and desire to serve the New York area. All varsity teams participate in outreach activities, positively impacting numerous area youth groups, hospitals, schools and agencies.

Professionalism - Under Levinthal’s guidance, Manhattanville athletics received a much-needed face-lift. With a new website, logo, team colors and method of business, he has streamlined and energized the department. The result has been increased exposure to Manhattanville student-athletes, improved performance both on and off the field, and increased support from fans and alumni.

Exposure - Manhattanville Athletics continues to maintain a strong presence on national and regional media outlets. Levinthal has helped increase the program’s media opportunities as well as displaying the values of the Valiants constantly in the public eye.

Assistant Director of Athletics Julene Fisher
Eighth Year • Marymount ’02

Julene Fisher enters her eighth year as Assistant Athletic Director and Senior Woman Administrator, and her 10th year overall within the Manhattanville Athletic Department in 2012-13.

As Assistant Athletic Director, Fisher is responsible for assisting the athletic director in an administrative capacity. She handles the scheduling for all of Manhattanville’s 21 sports and also handles travel accommodations and assignment of the department’s student workers.

A former Assistant Sports Information Director at Manhattanville, Fisher also has assisted the Sports Information Department by serving as official scorer for baseball games.

Fisher began her tenure at Manhattanville as an administrative assistant in the Manhattanville development office before moving over to the Athletic Department. Fisher graduated from Marymount College in 2002 as an English/Journalism major. She served as the editor-in-chief of Marymount’s student newspaper, The Comstock, and also was a four-year letterwinner in both swimming and softball at the school.

In television, she worked in conjunction with ABC News, the Discovery Channel and HBO to produce the hit series, “The Justice Files”, as well as HBO’s Emmy award winning documentary “In Memoriam: New York City, 9/11”. 
Head Coach Gregg Miller
Second Season • Johnson & Wales ’94

Gregg Miller completed his first season as head coach of the Manhattanville men's soccer team in 2011, enhancing the program's stature as one of the top teams in the conference and the region.

In his first year as the helm, Manhattanville set a new program record with 15 victories and earned the top seed in the Freedom Conference Championship with a 15-4-1 overall record. The squad earned the program's second NCAA Tournament berth as an at-large selection and was regionally ranked by the NSCAA in every Mid-Atlantic Region poll during the season, reaching as high as fourth over the course of the year.

Under Miller’s watch, junior Eros Olazabal was named the program's first-ever All-American with a D3Soccer.com second-team selection after shattering school records for goals and points in a season, finishing the year with 26 goals (including a record seven game-winners) and five assists for 57 points. Olazabal was one of seven Valiants named to the All-Freedom Conference teams after the year, the most since the program joined the conference in 2007 and the most overall for the team since 1999.

Miller came to Purchase from Brown University, where he spent three seasons as an assistant coach with the school's nationally recognized men's soccer team and helped compile a cumulative record of 32-14-10. With Miller on staff, the Bears appeared in the NCAA Tournament in each of the last two seasons, including an appearance in the Round of 16 and a 10th-place finish in the final NSCAA Division I national rankings in 2010.

Prior to his time in Providence, Miller built the men's soccer program from the ground up at Division III Johnson & Wales University and helmed the Wildcat men's team for 14 seasons, leading the squad to five conference championships and four NCAA Tournament appearances. A three-time Great Northeast Athletic Conference Coach of the Year (2002, 2003, 2005), he posted a 10-6-2 record in the program's second season and a 142-106-16 overall mark at the school. He truly excelled in his final six seasons, compiling an 83-40-10 mark and guiding the program to four conference titles, four NCAA Tournament berths and a 2004 ECAC New England championship.

In addition to his collegiate coaching duties, Miller also has served as the Director of Coaching for Bruno United FC since 2007 and is responsible for all facets of the 14-team development-based premier soccer club. During his tenure with Bruno, no fewer than 10 teams won state championships, and the club boasted in excess of 18 state finals appearances. He also has served as a staff coach for the Brown University Soccer Camps since 1998 and as an assistant director since 2008.

A native of Birmingham, England, Miller is a 1995 graduate of Johnson & Wales and coached the nascent men's and women's soccer teams for two seasons at the start of his coaching career. He also received his master's degree in international business from the school in 1997.

Assistant Coach Joe Dincecco
First Season • Richmond '07

Joe Dincecco begins his first season as an assistant coach with the Valiants men's soccer program in 2012.

Dincecco has spent the last five years on the West Coast with the San Jose Earthquakes of Major League Soccer, where he earned successive promotions to his most recent role as a team operations administrator. In his newest role, Dincecco manages team travel and played a role in preparing preseason training schedules and budgets, while also serving as a point of contact for relocated international players and their families. In addition, he also created collegiate scouting reports, recommended free agents to the General Manager, and assisted the staff in executing the annual invite-only combine.

Dincecco has also achieved multiple coaching certifications, including most recently earning the NSCAA Advanced National Diploma in January 2012. While with the Earthquakes, he also remained in the coaching realm as well, serving as an assistant coach with Aptos High School for one season and leading the C.V. San Jose FC Boys team since February 2011.

Collegiately, Dincecco was a four-year varsity letterwinner at the University of Richmond from 2003-06, playing 56 matches on defense for the Division I Spiders. He served as team captain and guided the Spiders to a berth in the Atlantic 10 Conference Tournament semifinals as a senior in 2006, and also earned the team’s Leigh Cowlishaw Hall of Fame Award as a senior. He also spent two years playing for the Cape Cod Crusaders of the USL Premier Development League in 2005 and 2006.

Dincecco, who graduated from Richmond in 2007 with a bachelor’s degree in business administration, will reside in Purchase as he pursues his graduate degree in sport business management at Manhattanville.

The Manhattanville men's soccer team under second year head coach Gregg Miller looks to return to the NCAA Tournament for the second time in as many years this coming season.

The Valiants return several key members from last year's squad and will look to a group of newcomers to help the team reach the next level in the NCAA Tournament. Despite losing several key pieces from last year's team the Valiants look to build on a program-best 15 wins from a season ago.

Headlining the group of returners are the team's two senior captains. Offensively Eros Olazabal comes off of a record-setting season in which he set new high water marks in goals with 26, points with 57, and match winning goals with seven. With all of his on field success, Olazabal became the first player in program history to garner All-American Honors on the D3Soccer.com second team.

The other leader was Marco Blasetti, who came off of another season in which he started and played in all 20 contests for the Valiants in 2011. For his three seasons thus far, Blasetti has played in 50 career matches while starting in all but two. Blasetti will also factor heavily into a strong defensive unit that surrendered just 20 goals all of last season, while individually he was a vocal leader both on and off the field making him a solid candidate to be a captain of this years unit.

DEFENDERS

While Blasetti will anchor the defensive line, he will be joined by two outside defenders from a season ago as seniors Sebastian Siring and Zack Weidner come back for their last go-around with the Valiants.

Siring comes off a year in which he took part in 19 games while starting in 15 and also picked up an assist against Berkeley (N.Y.) in last year's Valiant Classic. Meanwhile, Weidner started in 12 of the 17 games he took part in and picked up a goal and assist on the offensive side of the ball as well.

Junior Thomas Wagner may push for playing time as the lone defensive returner coming back from a year ago after only seeing action in four games for Manhattanville in their 2011 campaign.

Joining the fold this year is the lone newcomer to the midfield group as freshman Eddie Silber comes from a successful Sachem East High School team in Suffolk County, Long Island as he extends his playing career into the collegiate ranks.

SCHEDULE

The Valiants have toughened up their schedule from a season ago as they plan to play a tougher non-conference schedule to prepare themselves for an already challenging conference slate of games. The season starts off with a trip to the Garnet Classic in Swarthmore, Pennsylvania when Manhattanville opens the schedule against Widener on September 1, before playing host school Swarthmore the following day.

Manhattanville opens the home portion of the slate against Old Westbury on September 5 at 4:00 p.m. The team will then host a pair of schools as part of the 2012 edition of the Valiant Classic, this year Manhattanville will compete against Western New England and Brooklyn on September 8 and 9 respectively. The squad will take to the road for three of their next four non-conference games when they take on Vassar, Drew, Stevenson and Merchant Marine in the closing weeks of September.

Also back for his fourth season is classmate Edmond Addison, who plays a more defensive role as a midfielder in which he has played 37 career games to this point of his career and has contributed with one goal in each his freshman and junior seasons.

Looking to crack the starting lineup on a more regular basis are seniors Moshee Kelyana and Brett Monahan. Kelyana started in six games while appearing in 17 for the Valiants and recorded a pair of assists. Monahan attempts to make the starting lineup for Manhattanville in his senior year after not playing as a member of the team his previous three seasons.

Three returners from last year's team also come back in 2012, starting with junior Eddie Salgado, who scored once in his first season with the team a year ago. Also back for their sophomore years are Pranav Narayanan and Ezra Kauffman-Rogoff, who will look for more consistent playing time after playing in a combined five games in 2011.

Joining the fold this year is the lone newcomer to the midfield group as freshman Eddie Silber comes from a successful Sachem East High School team in Suffolk County, Long Island as he extends his playing career into the collegiate ranks.

FORWARDS

While Blasetti will anchor the defensive line, he will be joined by two outside defenders from a season ago as seniors Sebastian Siring and Zack Weidner come back for their last go-around with the Valiants.

Siring comes off a year in which he took part in 19 games while starting in 15 and also picked up an assist against Berkeley (N.Y.) in last year's Valiant Classic. Junior Thomas Wagner may push for playing time as the lone defensive returner coming back from a year ago after only seeing action in four games for Manhattanville in their 2011 campaign.

Joining the four returners are three newcomers, which includes sophomore transfer Alem Pelinkovic who comes to Manhattanville after not participating in soccer at his former school. Also into the mix are freshmen Kevin O’Reilly and Charlie Duffy who both take their talents across the border into Purchase, N.Y. from the soccer hotbed of Connecticut.

GOALKEEPERS

In goal the Valiants lose three-year starter Jason Torres ‘12 who departed after a season as a grad student for the team which leaves the door wide open for any of the three keepers on the roster to take on the starting role. With all three keepers on the roster having little to no playing experience the preseason is filled with an open competition for the starting spot.

The lone returner is junior Zach Benton, who has the most playing experience with 307 playing minutes and is undefeated in terms of his record with a 3-0-0 mark.

Joining Manhattanville for their first season are freshmen Steve Singson and Willie Silber who both come from Long Island. Singson played at St. Anthony’s of the CHSAA, while Silber played at nearby Sachem East, with both putting up solid numbers during their high school senior seasons.

The Valiants have toughened up their schedule from a season ago as they plan to play a tougher non-conference schedule to prepare themselves for an already challenging conference slate of games. The season starts off with a trip to the Garnet Classic in Swarthmore, Pennsylvania when Manhattanville opens the schedule against Widener on September 1, before playing host school Swarthmore the following day.

The squad will take to the road for three of their next four non-conference games when they take on Vassar, Drew, Stevenson and Merchant Marine in the closing weeks of September.

The conference portion opens up against King's (Pa.) on September 29 at 3:30 p.m. on GoValiants.com Field. The next task may prove to be the biggest based on where the opponent finished a year ago, as the Valiants will host Rutgers-Camden who made it to the Elite 8 of the NCAA Tournament before being knocked off by Oneonta State in the national quarterfinals. The squad will then head to the road for five of their next six contests including the final non-conference game of the year against York (Pa.) on October 24.

The final game of the regular season comes against Misericordia at GoValiants.com Field in a re-match of last year’s Freedom Conference semifinal matchup in which the Cougars knocked off the Valiants in a penalty kick shootout to advance to the championship game. This season's Freedom Conference Championship begins with the semifinal round on October 30 before a new champion will be crowned on Saturday, November 3 at the highest remaining seed.

Facilities

Kennedy Gymnasium

Completed just before the start of the 2005 fall season, GoValiants.com Field is one of the top outdoor soccer facilities in the Northeast, and home to the Manhattanville men’s and women’s soccer, volleyball, and men’s and women’s lacrosse programs. Surrounded by a four-pillar lighting system, scoreboard, fully equipped press box and bleacher-style seating, GoValiants.com Field is made up of state-of-the-art Field Turf, a technology that emulates the stability and resilience of natural grass without the obvious maintenance. The field’s durability and elaborate drainage system allow the Valiants to play in all kinds of weather and also allow all 21 Manhattanville athletic teams to make use of the program for training, practice and games.

The field itself measures 120 x 72 yards and the four light poles – each 90-feet high – let the Valiants play under the lights several times each year, something few other Division III programs can do with regularity.

The press box at GoValiants.com Field is wired for Internet and phone access, allowing for live video broadcasts of Valiant athletic contests through GoValiants. TV and audio broadcasts via WMVL 88.1 FM, as well as live stats produced for every Valiant home game. There are also ample electrical outlets and a photography bay above the press box for use by media and team personnel. A high-powered sound system used for pre- and in-game announcements is also housed in the press box.

Adjacent to the GoValiants.com Field is another valuable outdoor athletic venue, Manhattanville’s outdoor grass field. The regulation-size grass field was rebuilt in 2005 and plays host to several soccer matches during the year. While not equipped with lights, the grass field does possess a brand new scoreboard, which can be accessed through the press box at GoValiants.com Field.

With both turf and natural grass options, the Valiants hold a unique advantage over every other team in the conference in that they can choose a field surface to suit the type of game the team wants to play on that day.

The Valiant men’s soccer team christened the facility by playing the first game on the new turf on September 1, 2005, when the Valiants took William Paterson University to overtime before falling by a 2-1 score. Manhattanville’s first win at GoValiants.com Field came courtesy of the women’s soccer team, which defeated the SUNY Institute of Technology, 2-0, in the opening game of the Valiant Cup two days later on September 3, 2005.

Kennedy Gymnasium

Dedicated in October 1957 by the family of eventual United States President John F. Kennedy, Kennedy Gymnasium is the day-to-day home of the Manhattanville Department of Athletics and also serves as the home court for the Valiant men’s and women’s basketball and women’s volleyball programs. With balcony and ground-level seating for 1,000 spectators, Kennedy Gymnasium gives the Manhattanville teams that play inside it a loud and imposing home-court advantage. With bleachers lining the near sideline of the court and a large balcony overhanging the bleachers, there is plenty of room for Valiant friends, family and fans to cheer on their favorite Manhattanville teams throughout the season.

The main gymnasium also includes a new scoreboard, a brand-new scorer’s table, as well as phone and internet access that allows all Valiant games inside Kennedy Gym to be broadcast as either an audio or video stream. New lighting was recently installed in the gym as well in order to enhance the fan and player experience.

In addition to the main gym, the Kennedy complex also houses a full-length swimming pool as well as the department’s strength & conditioning and sports medicine facilities, which are located on the ground floor of the building and are fully-staffed year round.

Kennedy Gym Facilities

Kennedy Gym’s main attraction, a basketball and volleyball arena, is flanked by strength & conditioning, sports medicine, locker room and office facilities, as well as a full-length swimming pool and dance studio.

All in-season sports have their own space inside Kennedy Gymnasium’s several locker rooms (one of which is pictured to the left), with each player allowed his or her own locker for the full season. Inside the fully-enclosed locker rooms, members of the coaching staff can address their team before, during and after games, while the rooms also serve as a perfect congregating spot for teams at any time throughout the season.

The rest of the locker rooms inside Kennedy Gym include full shower and locker facilities, as well as access to Manhattanville’s swimming pool, strength and conditioning facilities, and athletic training facilities, all of which are fully-staffed year round. As the day-to-day administrative home of the Manhattanville Athletic Department, the offices of almost all varsity head and assistant coaches at the school are also located within the Kennedy Gym walls, as are the offices of all Manhattanville athletics administrators and support staff.

Manhattanville’s athletic trophies and banners, highlighting the program’s best accomplishments throughout the school’s distinguished athletic history, are also located inside the lobby and main arena of Kennedy Gymnasium. The gym also plays host to several camps and local recreational groups during the summer and throughout the school year.
**Strength & Conditioning**

Focused on the overall development of the student-athlete, the Manhattanville Strength & Conditioning staff maximizes the athletic performance of Valiant athletes by using the most effective and efficient training techniques to compete injury free at the highest level of competition. The aim is to instill a sense of self-discipline, respect and responsibility to achieve the ultimate goal of a team championship.

The strength and conditioning department is housed inside Healthworks, a large, state-of-the-art weight and cardiovascular training facility located on the bottom floor of the Athletic Department hub, Kennedy Gymnasium. The room includes several power development stations, glute ham benches, decline abdominal benches and physioballs and cardiovascular machines that are available for student-athlete use both in and out of season as well as during the summer.

In 2007, Manhattanville College opened the new Richard A. Berman Student Center in the center of campus that includes a first-class workout area for the general student population; as a result, Healthworks is now the exclusive strength and conditioning home of Valiant student-athletes.

**Head Coach Corey Crane**

**Fifth Season - Northern Iowa '97**

Corey Crane is in his fourth season of his second stint as Manhattanville's Head Strength and Conditioning Coach and also serves as the school's Assistant Athletic Director for Academics.

Crane is responsible for managing and providing the design, implementation, supervision and evaluation of the strength and conditioning program utilized by the school's 22 varsity sports.

Crane brings a wealth of strength and conditioning experience to Manhattanville. He previously spent two years as the Associate Head Strength and Conditioning Coach at the United States Military Academy at West Point, working with all of the school's 17 sports but focusing primarily on the Academy's football, men's lacrosse, hockey and volleyball programs.

Crane also has worked as the Head Strength and Conditioning Coach at Western Illinois University during the 2005-06 school year and previously spent one year in Purchase as Manhattanville's Head Strength and Conditioning Coach before taking an assistant position at Army for four years.

**Graduate Assistant Coach Jason Ward**

**Second Season - SUNY Albany '07**

Jason Ward is in his second season as the assistant strength and conditioning coach at Manhattanville in 2012-13.

In his role, Ward works with head coach Corey Crane to manage and provide the design, implementation, supervision and evaluation of the strength and conditioning program utilized by all 22 Manhattanville varsity sports.

Outside the Manhattanville realm, Ward is a professional Mixed Martial Arts fighter and has competed at both the amateur and professional levels. A graduate of SUNY Albany, he received a bachelor's degree in sociology with a concentration in criminal justice in 2007. He currently resides in New Rochelle, N.Y., as he pursues his graduate degree at Manhattanville.

**Sports Medicine**

The Sports Medicine facilities at Manhattanville are located inside the hub of Manhattanville Athletics, Kennedy Gym, and are the only place where Valiant student-athletes from all 22 varsity sports come to receive comprehensive health care from any of the department's fully-certified, full-time athletic trainers.

The athletic training staff has five main objectives: prevention of athletic injuries; recognition, evaluation and treatment of injuries that do occur; rehabilitation; health care administration; and professional development. The athletic training staff also has on-campus access to state-of-the-art training methods, including ultrasound capability, electrical muscle stimulation and whirlpool treatments.

The training staff is also privileged to be affiliated with some of the best physicians in the Westchester area, benefiting from a close relationship with Rancho Orthopedics and Sports Medicine and head team physician Dr. Kevin Mancher, who works out of nearby Greenwich, Conn.

Manhattanville Sports Medicine staff can be contacted throughout the day via phone (914-323-7276), fax (914-323-7212) or email (mciver@govalliants.com).

**Head Trainer Scott McIver**

**Ninth Season - Iona '83**

Scott McIver, MS, ATC, is in his ninth season as the head athletic trainer at Manhattanville. McIver previously served as the school's head trainer from 2000-02 before returning to the school before the 2006-07 school year.

After departing Manhattanville in 2002, McIver was named the head athletic trainer at Iona Prep High School, providing coverage for 20 sports and 250 student-athletes. Before his first stint in Purchase, McIver served as an associate athletic trainer at Pace University for 12 years from 1989 to 2000, coordinating athletic training coverage and strength and conditioning for all Setter sports.

McIver received his master's degree in Athletic Training and Exercise Science from Long Island University in 1990 and his bachelor's degree in Psychology from Iona College in 1983. A member of the National Athletic Trainers Association and American Orthotic and Prosthetic Association, he is also an Emergency Medical Technician and a licensed massage therapist.

**Assistant Trainer Cameron Hills**

**First Season - Connecticut '91**

Cameron Hills, MS, ATC, enters his first season as the assistant athletic trainer at Manhattanville in 2012-13.

Hills comes to Manhattanville after spending the last four years as the head athletic trainer at the Pine Crest School in Fort Lauderdale, Fla., where he oversaw games and practices for all 20 varsity sports. Prior to that, Hills served as the head athletic trainer at Dominican College in Orangeburg, N.Y. from 2003-07, covering 11 Division II varsity sports and managing a staff of assistant trainers and interns.

Hills earned his master's degree in Health Science from Nova Southeastern University in 2010 and his bachelor's degree in Human Development from the University of Connecticut in 1991. He is a member of the National Athletic Trainers Association and the National Strength and Conditioning Association, and is also certified by the American Red Cross in CPR for the Professional Rescuer.

**Graduate Assistant Trainer Victoria Gagliardi**

**Second Season - Sacred Heart '10**

Victoria Gagliardi is in her second year as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2012-13.

A 2010 graduate of Sacred Heart University, Gagliardi spent three years working as a student assistant as an undergraduate and worked with seven of the school's Division I programs. She was named the school's Student Athletic Trainer of the Year as a senior and also received the school's Patricia McArthur Scholarship in 2010.

Gagliardi is NATA/BOC certified and is also certified by the American Red Cross in CPR/AED for the Lifeguard, and Lifeguarding and First Aid.

**Graduate Assistant Trainer Janine Bernardo**

**First Season - Springfield '11**

Janine Bernardo is in her first year as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2012-13.

A 2011 graduate of Springfield College, she has been working since March at Professional Orthopedic and Sports Physical Therapy in midtown Manhattan as an athletic trainer. She previously was an athletic training intern at the ESPN Wide World of Sports Complex in Orlando.

Bernardo is a member of the National Athletic Trainers Association, is NATA/BOC and CPR/AED certified, and is also a certified first responder.
Manhattanville College

Manhattanville College, located just north of New York City in thriving Westchester County, has been educating young people on its beautiful 100-acre campus for over 150 years. With only 1,700 undergraduate students, each student is able to make a personal contribution to the campus community in more than 50 areas of study and 50 campus clubs. Also one of the most diverse campuses in the area, Manhattanville attracts students from 48 states and 76 countries.

SCHOOL HISTORY

Founded in 1841 in a three-story building on Houston Street of Manhattan’s Lower East Side as the Academy of the Sacred Heart, a Catholic boarding school for girls, Manhattanville has been educating students in the New York area for over 150 years.

Six years after its founding in 1847, the academy relocated to an area just north of New York City on a hill overlooking the village of Manhattanville. Destroyed by fire in 1888, the academy was rebuilt on the same foundation and continued to grow both in curriculum and physical environment. In March of 1917 – 76 years after its founding as an academy – Manhattanville was chartered as a college by the New York State Board of Regents, allowing the school to grant undergraduate and graduate degrees for the first time.

Thirty-five years later, in 1952, Manhattanville moved to its current location in Purchase on the former estate of New York Tribune publisher and Ambassador to England Whitelaw Reid. The estate included a mansion, Ophir Hall, which has since been renamed Reid Castle and serves as the centerpiece of Manhattanville’s picturesque Westchester campus.

ABOUT MANHATTANVILLE

At Manhattanville College, rigorous academic preparation within a nurturing environment is matched by personalized attention to every student. Our close-knit community of 1,700 undergraduate students and 1,200 graduate students allows each student to make a personal contribution for the school. The student body also is one of the nation’s most diverse according to the Princeton Review, representing almost every state and more than 75 countries.

With more than 50 areas of undergraduate study, ranging from the Liberal Arts to cross-disciplinary studies such as Environmental Science and professional concentrations such as Business and Museum Studies, our students discover their passions and feel empowered to make a difference in the larger local, national and international communities around us. The school offers Bachelor of Arts, Fine Arts, Music and Science degrees, while also housing a highly respected and blossoming array of graduate programs.

Our students also participate in over 50 social clubs, run an award-winning radio station, and collectively engage in over 30,000 hours of community service each year. Many students also design their own majors by matching interests with courses, providing a unique educational experience both in and out of the classroom.

Our beautiful 100-acre campus with its historic architecture and recent environmentally-responsible buildings is set in thriving Westchester County. Life at Manhattanville blends the leisurely pace of suburbia with the rich cultural resources and fast pace of New York City, which is only thirty minutes away.

THE CORE VALUES

Proudly a value-oriented liberal arts college for more than 150 years, Manhattanville is still guided by the mission “to educate students to become ethically and socially responsible leaders for the global community.”

Manhattanville is committed to following its mission by:

• Ensuring the intellectual, ethical and social development of each student within a community of engaged scholars and teachers;
• Encouraging each student to develop as an independent leader and creative thinker in pursuing career and personal goals; and
• Providing a diverse, inclusive and nurturing environment which develops in each student a commitment to service and leadership within a global community.
In the classroom, students have the opportunity to choose over 50 different fields of undergraduate study at Manhattanville; outside of it, there are at least 50 extracurricular clubs and organizations available for students to discover and cultivate their passions.

A TRADITION OF SERVICE

Co-educational since 1969 and non-denominational in its governance since 1971, Manhattanville’s original vision lives on in the tradition of service begun by the Society of the Sacred Heart. This tradition, which preceded the college’s charter, determined the character the school would have: a firm belief in the liberalizing effect of the liberal arts, a lively sense of tradition, a wide-ranging interest in the most humane manifestations of the human spirit, and a continuing effort to enhance the local community and to accept responsibility for this segment of human history.

As a result, countless students are involved annually in a number of community service and social action programs. Last year, Manhattanville’s students contributed over 30,000 hours of service while gaining valuable experience in such areas as management, teaching and advocacy.

At the heart of Manhattanville’s ethic of community service and service learning is the Duchesne Center for Religion and Social Justice. The center, which coordinates many of Manhattanville’s myriad service programs, serves as the coordinator, catalyst and incubator for community outreach, cultural, leadership and spiritual initiatives both across the Manhattanville campus and beyond.

In addition, the Connie Hogarth Center for Social Action works closely with the Departments of Sociology and Political Science and helps the next generation of college-educated activists acquire the practical skills and knowledge necessary for work in some field of social change.

NEW YORK CITY

While on the school’s beautiful 100-acre campus, students are only a 30-minute car or Metro North train ride from New York City, giving them the chance to blend the leisurely pace of suburban life in Westchester with the most populous and exciting city in the United States.

Manhattanville’s location offers students a unique opportunity to take advantage of all that New York City has to offer. Whether you want to enjoy a Broadway show, catch a professional sports event, tour a museum or art gallery, shop at the world’s best stores, dine at the country’s best restaurants, or simply stroll around and take in the city’s many well-known landmarks such as the Statue of Liberty or Times Square, New York City offers something for everyone to enjoy.

The school’s proximity to the worldwide leader in finance, entertainment, culture and more also offers Manhattanville undergraduate and graduate students a unique and exciting opportunity for jobs and internships both in the city itself and in the thriving New York City suburbs, including right here in Purchase!

MY SOLDIER

Manhattanville’s most well-known social action program was founded by a Valiant student-athlete, men’s soccer player Juan Salas, a naturalized U.S. citizen originally from Venezuela who saw active combat duty in Iraq and was commended for saving the life of a child during his tour.

Salas said his mission in Iraq was “to win the hearts and minds of the Iraqi people,” but he continued that while the service was at times challenging: “It was the letters that kept me going,” he said. “From kids, boy scouts, students. A letter was like a piece of gold, something you want to keep for the rest of your life.”

When Salas got back to Manhattanville, he wanted to help his fellow soldiers overseas and approached then-College President Richard A. Berman with an idea. Together with Berman and administrator Anne Gold, they launched the My Soldier program on February 14, 2004.

Participants in the My Soldier program, who were not limited to Manhattanville students, sent letters and occasional care packages overseas to boost the quality of life for American troops.

A non-politically affiliated program, My Soldier was wildly successful, with participants from all 50 states and over 400,000 people in total, reaching more than 175,000 U.S. troops.
