A staple in the New York region and an emerging program on the national stage, the Manhattanville College Athletic Department continues to bolster its reputation as a program on the rise in all areas: athletic achievement, academic success and overall participation.

More than 325 Valiant student-athletes (nearly 20 percent of the student body) took part in intercollegiate athletics during the 2010-11 school year, showcasing the continued and rapid growth of athletics at Manhattanville. With the announcement that the department will begin sponsoring women’s golf starting in 2012-13, the program has expanded to 22 intercollegiate teams – including eight new sports that have been established or re-established since 2007 alone.

And teams at Manhattanville do not just compete, they win. Four teams earned conference regular-season or tournament championships in 2010-11 and three Valiant squads (women’s soccer, women’s hockey and men’s golf) appeared in the NCAA Tournament. 13 of 21 Valiant squads earned berths in their respective conference championships last year, including the eighth title in 12 seasons for the women’s hockey team and the second straight title for men’s golf. In addition, a pair of Manhattanville squads (men’s hockey and women’s hockey) spent much of the year nationally ranked while two more programs (men’s basketball and men’s golf) topped the list of teams receiving votes nationally in their respective polls over the course of the year.

On an individual level, many Valiant student-athletes were honored in 2010-11 as well, including a pair of Freedom Conference Players of the Year and two Freedom Rookies of the Year to go with 32 combined All-Conference honorees. In the last 10 years, at least 35 former Valiants have gone on to play their sport professionally either domestically or overseas as well.

But at Manhattanville, athletics is only one part of becoming a well-rounded student-athlete. In the classroom, Valiant athletes consistently achieve higher grade-point averages than the student body as a whole, as evidenced by the 3.20 Athletic Department GPA for the Spring 2011 semester and the fact that all but four Valiant teams recorded a team GPA of 3.000 or higher for the spring term. In addition, the department boasted its first CoSIDA Academic All-American in 27 years and a pair of CoSIDA Academic All-District representatives, while the department also shattered its previous best with 114 student-athletes named Academic All-Conference honorees.

Community service also continues to play a vital role in the student-athlete experience at Manhattanville, as each team performs hundreds of community service hours each year. In addition to active involvement with many local sports teams and youth organizations both on and off campus, Valiant teams sponsor events such as the women’s basketball “Pink Zone” night and the women’s hockey “Think Pink” event to promote cancer awareness. As a result of these and other efforts, the school was the recipient of two Jostens/NADIIIAA Community Service Awards in 2009, one of only 13 institutions honored and the only school to receive two awards. The service aspect of the Valiant student-athlete experience plays a large role in helping Valiant athletes fulfill the college’s mission of educating students to be ethically and socially responsible leaders in a global community.

Media Information

BROADCAST: Most Valiant home games and select away contests this season will be broadcast live as either an audio or video stream via GoValiants.TV and WMVL 88.1 FM, with Assistant Director of Sports Information Sean Engel or Director of Sports Information Steve Sheridan calling the action both live from Kennedy Gymnasium and on location. For more information, a complete broadcast schedule, or to listen to and/or watch the broadcasts, log on to GoValiants.com and click on the Live Audio and Live Video tabs on the top of the page, under the Fan Zone section.

CREDENTIAL REQUESTS: Members of the media wishing to attend Valiant women’s basketball games must contact the Manhattanville Sports Information Office in advance. Seating and limited phone/internet access is available for working media on press row at Kennedy Gym. Game programs and updated statistics for both teams will be available along press row prior to the game. Following the contest, a final box score will be made available to media outlets and can be faxed or e-mailed to requested outlets not in attendance.

INTERVIEW POLICY: All interview requests for Valiant student-athletes and coaches must be made through the Manhattanville Sports Information Department. Media planning to attend practice should contact the Sports Information Office to confirm practice times and player/coach availability. Game-day interviews prior to the game are not permitted. Coach Thomer and requested student-athletes will be available to credentialed media members after a 10-minute cooling-off period following the end of the game.

Keith Levinthal begins his ninth full year as Director of Athletics at Manhattanville College in 2011-12 and continues to establish the school as a regional and national leader in athletic success, academic achievement and community involvement. The architect and head coach of Manhattanville’s nationally recognized men’s hockey program before stepping aside in October 2011, Levinthal will now concentrate full time on keeping Manhattanville in the local, regional and national spotlight.

Levinthal has led the Valiant athletic program to unprecedented heights in recent years, as Manhattanville has collected 52 conference championships — 26 regular-season championships and 26 tournament titles — in the last eight seasons alone. In that span, the program has also produced 27 conference Players of the Year, 15 All-American selections and one National Player of the Year.

As a head coach with the men’s hockey team, Levinthal stepped aside with the most wins of any mentor in Manhattanville department history, posting a 202-84-28 (.688) record in 12 seasons and twice earning ECAC West Conference Coach of the Year honors. He left as the 14th winningest coach in NCAA hockey history (all Divisions) and sixth among Division III leaders in terms of winning percentage, and led the team to four NCAA Tournaments, four ECAC West Tournament titles and a pair of first-place finishes in the ECAC West regular-season standings.

Under Levinthal’s guidance, Manhattanville as a whole continued its recent string of very successful seasons in 2010-11, as 15 teams participated in conference postseason play and four squads won a conference regular-season or tournament title. The Valiant women’s soccer, women’s hockey and men’s golf teams won conference championships and advanced to the NCAA Tournament during the season, while the men’s basketball team achieved the first D3Hoops.com national ranking in program history and the men’s golf team received votes in multiple national coaches polls for the first time. Off the field, a program-record 114 Valiant student-athletes were named to their respective conference Academic Honor Rolls as well, while the program also earned its first CoSIDA/Capital One Academic All-American selection in 27 years and a pair of CoSIDA/Capital One Academic All-District honorees.

In 2007-08, Levinthal guided the Athletics Department as it transitioned from the Skyline Conference to the Freedom Conference and also reintroduced volleyball and cross country programs to the school. The Valiants saw immediate success in its new conference as two teams clinched Freedom Conference regular-season championships and three programs won conference tournaments in advancing to the NCAA Tournament. The women’s hockey team advanced to the program’s third National Championship game, while the women’s soccer team reached the NCAA Tournament for the first time in program history.

Levinthal also led the Valiants to a record-breaking year in 2006-07, as six teams won conference championships and a program-record five teams qualified for the NCAA Tournament. His men’s hockey team spent 13 consecutive weeks as the top-ranked team in the nation and earned its first-ever berth in the national semifinals, while goaltender Andrew Gallant became the first Manhattanville student-athlete to be named a National Player of the Year. Six coaches were named as conference Coach of the Year, while a program-best four Valiant student-athletes were also named CoSIDA/ESPN The Magazine Academic All-District honorees. And, for the first time ever, Valiant teams won more league championships than any other Skyline Conference team.

Levinthal saw immediate athletic success during his first full year at the helm, as all 14 of Manhattanville’s athletic programs participated in postseason play during the 2003-04 year. Four teams earned bids to the ECAC postseason tournaments, while the women’s ice hockey program earned its third consecutive NCAA Tournament appearance. In 2004, Levinthal also received the honor of beginning a four-year term on the NCAA Men’s and Women’s Ice Hockey Rules Committee, serving as one of 13 overall members and one of just four from Division III institutions.

But in addition to athletic success, at the heart of every successful program lie sound resources for its lifeblood — its student-athletes. Therefore, Levinthal has made it a priority to provide the resources needed to create an environment in which Manhattanville student-athletes can achieve at the highest level in all areas: academically, socially and athletically.

A 1995 graduate of Hobart College, Levinthal is committed to developing all aspects of the athletics program. In his tenure at Manhattanville, Levinthal’s agenda has included:

- **Student-Athlete Development** - Manhattanville continues to be on the cutting edge in the total development of its student-athletes. Valiant student-athletes have exhibited a strong presence and desire to serve the New York area. All varsity teams participate in outreach activities, positively impacting numerous area youth groups, hospitals, schools and agencies.

- **Professionalism** - Under Levinthal’s guidance, Manhattanville athletics received a much-needed face-lift. With a new website, logo, team colors and method of business, he has streamlined and energized the department. The result has been increased exposure to Manhattanville student-athletes, improved performance both on and off the field, and increased support from fans and alumni.

- **Exposure** - Manhattanville Athletics continues to maintain a strong presence on national and regional media outlets. Levinthal has helped increase the program’s media opportunities as well as displaying the values of the Valiants constantly in the public eye.

Assistant Director of Athletics Julene Fisher

Julene Fisher is in her seventh year as Assistant Athletic Director and Senior Woman Administrator, and her ninth year overall within the Manhattanville Athletic Department in 2011-12.

As Assistant Athletic Director, Fisher is responsible for assisting the athletic director in an administrative capacity. She handles the scheduling for all of Manhattanville’s 21 sports and also handles travel accommodations and assignment of the department’s student workers.

A former Assistant Sports Information Director at Manhattanville, Fisher also assists the Sports Information Department by serving as a statistician for home baseball games and select other home contests.

Fisher began her tenure at Manhattanville as an administrative assistant in the Manhattanville Development Office before moving over to the Athletic Department.

Fisher graduated from Marymount College in 2002 as an English/Journalism major. She served as the editor-in-chief of Marymount’s student newspaper, The Cormont, and also was a four-year letterwinner in both swimming and softball at the school.

In television, she worked in conjunction with ABC News, the Discovery Channel and HBO to produce the hit series, “The Justice Files”, as well as HBO’s Emmy award winning documentary “In Memoriam: New York City, 9/11”.
Head Coach Lauren Thomer
Third Season • Rider ’04

Lauren Thomer is back for her third season at the helm of the Valiant women’s basketball program in 2011-12 and continues to further her goal of bringing Valiant basketball to new heights.

Thomer has made an immediate impact on the Valiant program, posting the second-most wins by a coach in their first two seasons in program history and also capturing a pair of Freedom Conference regular-season championships.

Following up a successful first season at the helm, Thomer led the Valiants to a second straight Freedom Conference regular-season title in 2010-11, finishing the year with a 17-9 (10-4 Freedom) record. Manhattanville won a pair of in-season tournaments at Salem State and Catholic early in the year and also knocked off #18/23 Bowdoin, the program’s first win over a nationally ranked team since 1982. Guards Simona Gordon and Carey Hickey both earned spots on the All-Freedom Conference first team, while Hickey went on to earn the program’s first-ever D3Hoops.com All-Region and MBWA All-Met honors as well.

Thomer had a tremendous first season with the Valiants in 2009-10, earning Freedom Conference Coach of the Year honors and leading the team to the Freedom Conference regular-season championship – the first regular-season conference title in school history. In all, Manhattanville went 19-8 (12-2 Freedom) on the year, marking the fourth-most wins in a single season in program history and the most by a Valiant team since 1983-84. The team’s 12 conference wins also marked the most conference wins ever by a Manhattanville women’s hoops team.

In addition to Thomer’s Coach of the Year award, Gordon was named to the All-Conference first team and fellow guards Hickey and Courtney Turner earned spots on the All-Conference second team.

The Valiants served notice to the rest of the Freedom Conference early on in the year, when the Valiants posted a 60-48 win at defending conference champion DeSales University to begin the conference slate. The team continued that momentum by winning eight of its last 10 regular-season games, culminating with a 67-53 Senior Day win over FDU-Florham that gave the Valiants their first conference title of any type since 1981-82.

Thomer came to Manhattanville from the U.S. Military Academy, where she spent three years working with the women’s basketball program under head coach Dave Magarity.

Thomer served as an assistant coach with the Division I Army women’s basketball team for two seasons, helping the team to a 37-24 record over that span. Prior to that stint, Thomer served as head women’s basketball coach of the U.S. Military Academy Prep School (USMAPS) for one season, guiding the program to its first-ever 4-0 record against the other service academy prep schools.

As an undergraduate, Thomer graduated from Rider University in 2004, playing the point for four seasons for the Division I Broncs. The point guard was a three-time Metro Atlantic Athletic Conference All-Academic Team selection and received the team’s Academic Excellence award as a senior. She also earned her master’s degree in Sport and Exercise Psychology from the University of Virginia in 2006.

While getting her degree at Virginia, Thomer also successfully balanced coaching duties on two different basketball teams. As the head coach for the University of Virginia’s club basketball team, she led the squad to a 46-6 record over two seasons and the 2005 East Coast Women’s Club Championship. At the same time, Thomer also was the top assistant coach at the prominent St. Anne’s Belfield School in Charlottesville, Va., mentoring several future Division I players as the squad won a conference title and placed fifth in the Virginia State Tournament.

A native of Philadelphia, Pa., Thomer currently resides in Hoboken, N.J.
Assistant Coach Catherine Andrews
Second Season • West Chester ’08

Catherine Andrews is in her second season as an assistant coach with the Manhattanville women’s basketball team in 2011-12.

Andrews plays an active role in all aspects of the Valiant women’s basketball team, including on- and off-campus recruiting, scouting and game/practice preparation, fundraising and academic monitoring.

In her first season in Purchase, she helped the Valiants capture a second straight Freedom Conference regular-season title with a 17-9 (10-4 Freedom) record.

Andrews came to Manhattanville from the other side of the Middle Atlantic Conferences, as she coached for two years with the nationally ranked Lebanon Valley College women’s basketball team, including serving as Associate Head Coach for the 2009-10 season.

In her final year in Annville, she helped the Dutchmen to a 23-5 record, the Commonwealth Conference regular-season championship and the program’s first-ever berth in the NCAA Tournament. In her two years, the Dutchmen posted a 40-14 record.

On the court, Andrews played four seasons at Division II West Chester University, including three years as a starting guard. She captained the squad to a 19-10 record in her senior season of 2007-08, earning All-Pennsylvania State Athletic Conference second-team honors after ranking second on the team with 11.2 points per game and adding a team-best 117 assists and 66 steals. Andrews ranks seventh all-time in three-pointers (87) and is also in the top-15 in both career assists (294) and steals (174) at the school.

Andrews received a bachelor’s degree in communications studies from West Chester in 2008 and is currently pursuing her master’s degree in Sports Business Management at Manhattanville. A native of Lebanon, Pa., she currently resides in Purchase.

Assistant Coach Sarah Benischek
First Season • Merrimack College ’11

Sarah Benischek is in her first season as an assistant coach with the Manhattanville women’s basketball program in 2011-12.

Benischek was a four-year varsity letterwinner at Division II Merrimack College, earning a starting role and serving as team captain in both her junior and senior seasons. She averaged over 10 points per game in her final two years, including a career-high 11.2 points, 5.9 rebounds and 3.4 assists per contest during the 2009-10 campaign. For her career, Benischek averaged 6.9 points and 4.1 rebounds per game over 106 games.

Off the court, Benischek has been coaching basketball since 2005, including four seasons as an assistant coach with the NY Pride Girls AAU Under-16 Team (2008-11) and one year as an assistant coach with the Massachusetts Lady Warriors AAU Under-14 Team (2011).

Benischek graduated magna cum laude from Merrimack in May 2011 with a bachelor’s degree in physical therapy.

# - Marymount/Marine Corps Tip-Off Tournament (Arlington, Va.)
@ - CUNYAC Coaches vs. Cancer Tournament
% - 2011 Cruzin’ Classic (Fort Lauderdale, Fla.)
$ - Freedom Conference Tournament (campus sites)
After finishing the 2010-11 regular season with a 10-4 record in Freedom Conference play the Manhattanville women’s basketball team earned the top seed in the 2011 Conference Championship, but despite having the best record, the Valiants were ousted by fourth-seeded Misericordia in the semifinals. This year the Valiants will look to get back to the postseason and advance to the NCAA Tournament with a new cast of players joining a strong returning core.

Head coach Lauren Thomer returns for her third season at the helm of the program and will turn her attention to getting the team back to the Freedom Conference Championship after being picked to finish fifth in the pre-season coach’s poll.

Headlining the returners are a pair of seniors, Courtney Turner and Kelli Hyjek. In the backcourt, Turner averaged 11.2 points per game last season, which was second on the team. Turner also led the team in rebounding by collecting 148 (just under six per game) and three-point shooting, as she was the only player to shoot 40 percent from behind the arc. Hyjek will look to see a more regular role in the front court from behind the arc. Hyjek who will look to be joined by senior Stephanie Vaiano, who on this year’s roster in the backcourt. She’ll be joined by senior Stephanie Vaiano, who saw action in 20 games as a reserve last season while collecting 28 points. Vaiano also collected 21 rebounds and was a perfect free-throw shooter, going 5-for-5 from the charity stripe.

A pair of junior college transfers will look for time in 2011-12 as well as juniors Sarah Gibbs and Maggie Howley come to Manhattanville after spending time in the NJCAA. Gibbs had a successful career at Cumberland County College, averaging 11.9 points per game as a sophomore last season, and with her on-court success was named to the All-Conference first team as a sophomore. Howley played in 18 games last season at Manor College averaging just over 3.0 points a game, and brings a highly decorated athletic background to Purchase.

In addition to Gibbs and Howley, a bevy of freshmen also join the squad this season. A trio from Long Island, Shayna Robinson, Kelly Ann Sullivan, and Dominique Wilson, will also battle for time with classmates Nicole Robinson and Leah Dagen for time during their freshman seasons.

**FORWARDS**

As opposed to the backcourt, the front court is loaded with returners looking to join Hyjek in the starting rotation. Junior Taylor Wilson started in 20 games a season ago while getting time in all 26 contests, leading the team with 105 defensive rebounds as the only player to hit triple figures on one end of the court. Wilson also finished third on the team last year in several statistical categories, averaging 10.8 points per game and adding 281 total points and 36 steals.

Junior Jennifer McSharar also saw some time as a starter last season, getting the nod in nine games while seeing time in every contest. McSharar was second on the team in shooting from the floor with a 46.5 percentage and also collected 101 total rebounds, 69 coming defensively. In addition, she was tied for the team lead with Turner for blocks with nine.

Like Wilson and McSharar before her, sophomore Beranda Felder saw some action as a starter while playing in 25 of the team’s games. Even in her limited time Felder still managed to snag 109 rebounds while collecting 15 steals and a pair of blocks during her freshman campaign.

Sophomore Melody O’Connor joins the team for her first season on the court with Manhattanville after sitting out a season ago. As a high school player, O’Connor made the New York State Final Four as a sophomore, junior and senior during career prior to joining the collegiate ranks.

Looking to join the returners in the front court are a pair of newcomers led by 6’1” freshman Alyson Calazzo, who will look for the starting nod at center as the first player above 6’0” during Thomer’s three years at Manhattanville. Joining Calazzo is swing player Sarah Vann, who comes to Purchase after a career at the successful John F. Kennedy High School program in the Bronx.

**GUARDS**

Turner is one of two returning players on this year’s roster in the backcourt. She’ll be joined by senior Stephanie Vaiano, who saw action in 20 games as a reserve last season while collecting 28 points. Vaiano also collected 21 rebounds and was a perfect free-throw shooter, going 5-for-5 from the charity stripe.

A pair of junior college transfers will look for time in 2011-12 as well as juniors Sarah Gibbs and Maggie Howley come to Manhattanville after spending time in the NJCAA. Gibbs had a successful career at Cumberland County College, averaging 11.9 points per game as a sophomore last season, and with her on-court success was named to the All-Conference first team as a sophomore. Howley played in 18 games last season at Manor College averaging just over 3.0 points a game, and brings a highly decorated athletic background to Purchase.

In addition to Gibbs and Howley, a bevy of freshmen also join the squad this season. A trio from Long Island, Shayna Robinson, Kelly Ann Sullivan, and Dominique Wilson, will also battle for time with classmates Nicole Robinson and Leah Dagen for time during their freshman seasons.

**FORWARDS**

As opposed to the backcourt, the front court is loaded with returners looking to join Hyjek in the starting rotation. Junior Taylor Wilson started in 20 games a season ago while getting time in all 26 contests, leading the team with 105 defensive rebounds as the only player to hit triple figures on one end of the court. Wilson also finished third on the team last year in several statistical categories, averaging 10.8 points per game and adding 281 total points and 36 steals.

Junior Jennifer McSharar also saw some time as a starter last season, getting the nod in nine games while seeing time in every contest. McSharar was second on the team in shooting from the floor with a 46.5 percentage and also collected 101 total rebounds, 69 coming defensively. In addition, she was tied for the team lead with Turner for blocks with nine.

Like Wilson and McSharar before her, sophomore Beranda Felder saw some action as a starter while playing in 25 of the team’s games. Even in her limited time Felder still managed to snag 109 rebounds while collecting 15 steals and a pair of blocks during her freshman campaign.

Sophomore Melody O’Connor joins the team for her first season on the court with Manhattanville after sitting out a season ago. As a high school player, O’Connor made the New York State Final Four as a sophomore, junior and senior during career prior to joining the collegiate ranks.

Looking to join the returners in the front court are a pair of newcomers led by 6’1” freshman Alyson Calazzo, who will look for the starting nod at center as the first player above 6’0” during Thomer’s three years at Manhattanville. Joining Calazzo is swing player Sarah Vann, who comes to Purchase after a career at the successful John F. Kennedy High School program in the Bronx.

**GUARDS**

Turner is one of two returning players on this year’s roster in the backcourt. She’ll be joined by senior Stephanie Vaiano, who saw action in 20 games as a reserve last season while collecting 28 points. Vaiano also collected 21 rebounds and was a perfect free-throw shooter, going 5-for-5 from the charity stripe.

Facilities

Kennedy Gymnasium

Dedicated in October 1957 by the family of eventual United States President John F. Kennedy, Kennedy Gymnasium is the day-to-day home of the Manhattanville Department of Athletics and also serves as the home court for the Valiant women’s and men’s basketball and women’s volleyball programs.

With balcony and ground-level seating for 1,000 spectators, Kennedy Gymnasium gives the Manhattanville teams that play inside it a loud and imposing home-court advantage. With bleachers lining the near sideline of the court and a large balcony overhanging the bleachers, there is plenty of room for Valiant friends, family and fans to cheer on their favorite Manhattanville teams throughout the season.

The main gym also includes a new scoreboard, a brand-new scorer’s table, as well as phone and internet access that allows all Valiant games inside Kennedy Gym to be broadcast as either a video or audio stream on GoValiants.TV and WMVL 88.1 FM. New lighting was also recently installed in the gym as well in order to enhance the fan and player experience.

In addition to the main gym, the Kennedy complex also houses a full-length swimming pool and dance studio while also providing convenient access to the department’s strength & conditioning and sports medicine facilities, which are located on the ground floor of the building and are fully-staffed year round for the exclusive use of Valiant student-athletes.

Almost all of Manhattanville’s full and part-time athletic staff are housed within the Kennedy walls as well, with most – including head women’s basketball coach Lauren Thomer – residing inside the main athletics office on the main gym level.

The Manhattanville women’s basketball team has brought plenty of postseason action to Kennedy Gymnasium in recent seasons, hosting four Freedom Conference Tournament games and the final two rounds of the ECAC South Region Tournament in the last three seasons alone.

The Valiants are 4-3 all-time in conference tournament games on the home floor and advanced to two of the last three Freedom Conference Tournament championship games thanks to semifinal victories at home in both 2008-09 and 2009-10.

Locker Rooms

Dedicated in October 1957 by the family of eventual United States President John F. Kennedy, Kennedy Gymnasium is the day-to-day operational home of the Manhattanville Athletic Department as well as the home court for the Valiant basketball and volleyball teams.

Kennedy’s main attraction, a basketball and volleyball arena, is flanked by strength & conditioning, sports medicine, locker room and office facilities, as well as a full-length swimming pool and dance studio.

All in-season sports have their own space inside Kennedy Gymnasium’s several locker rooms (one of which is pictured to the left), with each player allowed his or her own locker for the full season. Inside the fully-enclosed locker rooms, members of the coaching staff can address their team before, during and after games, while the rooms also serve as a perfect congregating spot for teams at any time throughout the season.

The rest of the locker rooms inside Kennedy Gym include full shower and locker facilities, as well as access to Manhattanville’s swimming pool, strength and conditioning facilities, and athletic training facilities.

The offices of almost all varsity head and assistant coaches at the school are also located within Kennedy Gym, as are the offices of all Manhattanville athletics administrators.

Manhattanville’s athletic trophies and banners, highlighting the program’s best accomplishments throughout the school’s distinguished athletic history, are also located inside the lobby and main arena of Kennedy Gymnasium. The gym also plays host to several camps and local recreational groups during the summer and throughout the school year.
Strength & Conditioning

Focused on the overall development of the student-athlete, the Manhattanville Strength & Conditioning staff maximizes the athletic performance of Valiant athletes by using the most effective and efficient training techniques to compete injury free at the highest level of competition. The aim is to instill a sense of self-discipline, respect and responsibility to achieve the ultimate goal of a team championship.

The strength and conditioning department is housed inside Healthworks, a large, state-of-the-art weight and cardiovascular training facility located on the bottom floor of the Athletic Department hub, Kennedy Gymnasium. The room includes several power development stations, glute ham benches, decline abdominal benches and physioballs and cardiovascular machines that are available for student-athletes use both in and out of season as well as during the summer.

In 2007, Manhattanville College opened the new Richard A. Berman Student Center in the center of campus that includes a first-class workout area for the general student population, as a result, Healthworks is now the exclusive strength and conditioning home of Valiant student-athletes.

Head Coach Corey Crane
Fourth Season - Northern Iowa ’97
Corey Crane is in his third season as Manhattanville’s Head Strength and Conditioning Coach and also serves as the school’s Assistant Athletic Director for Academics.

Crane is responsible for managing and providing the design, implementation, supervision and evaluation of the strength and conditioning program utilized by the school’s 21 varsity sports.

Crane brings a wealth of strength and conditioning experience to Manhattanville. He previously spent two years as the Associate Head Strength and Conditioning Coach at the United States Military Academy at West Point, working with all of the school’s 17 sports but focusing primarily on the Academy’s football, men’s lacrosse, hockey and volleyball programs.

Crane also has worked as the Head Strength and Conditioning Coach at Western Illinois University during the 2005-06 school year and previously spent one year in Purchase as Manhattanville’s Head Strength and Conditioning Coach before taking an assistant position at Army for four years.

Sports Medicine

The Sports Medicine facilities at Manhattanville College are located inside the bustling Manhattanville Athletics, Kennedy Gymnasium, and are the only place where Valiant student-athletes from all 21 varsity sports come to receive comprehensive health care from any of the Athletic Department’s three fully-certified, full-time athletic trainers.

The athletic training staff has five main objectives: prevention of athletic injuries, recognition, evaluation and treatment of injuries that do occur, rehabilitation, health care administration, and professional development. The athletic training staff also has on-campus access to state-of-the-art training methods, including ultrasound capability, electrical muscle stimulation and whirlpool treatments.

The training staff is also privileged to be affiliated with some of the best physicians in the Westchester area, benefiting from a close relationship with Plachner Orthopedics and Sports Medicine and head team physician Dr. Kevin Plachner, who works out of nearby Greenwich, Conn.

The Manhattanville Sports Medicine staff can be contacted throughout the day via phone (914-332-7726), fax (914-332-7721) or email (mciver@govalliants.com).

Head Trainer Scott McIver
Eighth Season - Iona ’83
Scott McIver, M8, ATC, is in his eighth season as the head athletic trainer at Manhattanville. McIver previously served as the school’s head trainer from 2000-02 before returning to the school before the 2006-07 school year.

After departing Manhattanville in 2002, McIver was named the head athletic trainer at Iona Prep High School, providing coverage for 20 sports and 250 student-athletes. Before his first stint in Purchase, McIver served as an associate athletic trainer at Pace University for 12 years from 1989 to 2000, coordinating athletic training coverage and strength and conditioning for all sport.

McIver received his master’s degree in Athletic Training and Exercise Science from Long Island University in 1990 and his bachelor’s degree in Psychology from Iona College in 1983. A member of the National Athletic Trainers Association and American Orthotic and Prosthetic Association, he is also an Emergency Medical Technician and a licensed massage therapist.

Assistant Trainer Khacki "Jr" Barkaman
Fourth Season - MCLA ’01
Khacki "Jr" Barkaman, M8Ed, ATC, is in his fourth season as an assistant athletic trainer at Manhattanville.

Barkaman became the Valiants from Fordham University, where he provided coverage for the men’s soccer and men’s basketball teams and assisted with spring football workouts.

Prior to his time at Fordham, Barkaman served as the Head Athletic Trainer and taught in the Physical Education Department at Sarah Lawrence College. He also has served as an Assistant Athletic Trainer at Iona College after doing his Graduate Assistant work at Niagara University, where he also earned an M8Ed in School Counseling.

Barkaman is an NATABOC Certified Athletic Trainer and is also certified as a New York State Licensed Athletic Trainer. In addition, he holds several American Red Cross certifications, including Emergency Response, Professional Rescue and Professional Rescue Instructor.

Graduate Assistant Coach Jason Ward
First Season - SUNY Albany ’07
Jason Ward is in his first season as assistant strength and conditioning coach at Manhattanville in 2011-12.

In his role, Ward works with head coach Corey Crane to manage and provide the design, implementation, supervision and evaluation of the strength and conditioning program utilized by all 21 Manhattanville varsity sports.

Outside the Manhattanville realm, Ward is a professional Mixed Martial Arts fighter and has competed at both the amateur and professional levels. A graduate of SUNY Albany, he received a bachelor’s degree in sociology with a concentration in criminal justice in 2007. He currently resides in New Rochelle, N.Y., as he pursues his graduate degree at Manhattanville.

Graduate Assistant Trainer Hilary Delp
First Season - Castleton State ’09
Hilary Delp is in her first season as an assistant athletic trainer at Manhattanville.

A 2009 graduate of Castleton State College, Delp spent three years as a student assistant in the Athletic Training Department. She has spent the last two seasons working with the Athletic Training Department of the NHL’s Philadelphia Flyers.

A member of the National Athletic Trainers Association, Delp is NATABOC certified and also has received certifications from the American Red Cross in CPR/AED, First Aid and Lifeguarding.

Graduate Assistant Trainer Victoria Gagliardi
First Season - Sacred Heart ’10
Victoria Gagliardi is in her first year as an assistant athletic trainer at Manhattanville.

A 2010 graduate of Sacred Heart University, Gagliardi spent three years as a student assistant and worked with seven of the school’s D-I programs. She was named the school’s Student Athletic Trainer of the Year and also received the school’s Patrick McCaughey Scholarship in 2010.

Gagliardi is NATABOC certified and is also certified by the American Red Cross in CPR/AED for the Lifeguard, and Lifeguarding and First Aid.
Manhattanville College, located just north of New York City in thriving Westchester County, has been educating young people on its beautiful 100-acre campus for over 150 years. With only 1,700 undergraduate students, each student is able to make a personal contribution to the campus community in more than 50 areas of study and 50 campus clubs. Also one of the most diverse campuses in the area, Manhattanville attracts students from 48 states and 76 countries.

SCHOOL HISTORY
Founded in 1841 in a three-story building on Houston Street of Manhattan’s Lower East Side as the Academy of the Sacred Heart, a Catholic boarding school for girls, Manhattanville has been educating students in the New York area for over 150 years.

Six years after its founding in 1847, the academy relocated to an area just north of New York City on a hill overlooking the village of Manhattanville. Destroyed by fire in 1888, the academy was rebuilt on the same foundation and continued to grow both in curriculum and physical environment. In March of 1917 – 76 years after its founding as an academy – Manhattanville was chartered as a college by the New York State Board of Regents, allowing the school to grant undergraduate and graduate degrees for the first time.

Thirty-five years later, in 1952, Manhattanville moved to its current location in Purchase on the former estate of New York Tribune publisher and Ambassador to England Whitelaw Reid. The estate included a mansion, Ophir Hall, which has since been renamed Reid Castle and serves as the centerpiece of Manhattanville’s picturesque Westchester campus.

ABOUT MANHATTANVILLE
At Manhattanville College, rigorous academic preparation within a nurturing environment is matched by personalized attention to every student. Our close-knit community of 1,700 undergraduate students and 1,200 graduate students allows each student to make a personal contribution for the school. The student body also is one of the nation’s most diverse according to the Princeton Review, representing almost every state and more than 75 countries.

With more than 50 areas of undergraduate study, ranging from the Liberal Arts to cross-disciplinary studies such as Environmental Science and professional concentrations such as Business and Museum Studies, our students discover their passions and feel empowered to make a difference in the larger local, national and international communities around us. The school offers Bachelor of Arts, Fine Arts, Music and Science degrees, while also housing a highly respected and blossoming array of graduate programs.

Our students also participate in over 50 social clubs, run an award-winning radio station, and collectively engage in over 30,000 hours of community service each year. Many students also design their own majors by matching interests with courses, providing a unique educational experience both in and out of the classroom.

Our beautiful 100-acre campus with its historic architecture and recent environmentally-responsible buildings is set in thriving Westchester County. Life at Manhattanville blends the leisurely pace of suburbia with the rich cultural resources and fast pace of New York City, which is only thirty minutes away.

THE CORE VALUES
Proudly a value-oriented liberal arts college for more than 150 years, Manhattanville is still guided by the mission “to educate students to become ethically and socially responsible leaders for the global community.”

Manhattanville is committed to following its mission by:
• Ensuring the intellectual, ethical and social development of each student within a community of engaged scholars and teachers;
• Encouraging each student to develop as an independent leader and creative thinker in pursuing career and personal goals; and
• Providing a diverse, inclusive and nurturing environment which develops in each student a commitment to service and leadership within a global community.
A TRADITION OF SERVICE
Co-educational since 1969 and non-denominational in its governance since 1971, Manhattanville’s original vision lives on in the tradition of service begun by the Society of the Sacred Heart. This tradition, which preceded the college’s charter, determined the character the school would have: a firm belief in the liberalizing effect of the liberal arts, a lively sense of tradition, a wide-ranging interest in the most humane manifestations of the human spirit, and a continuing effort to enhance the local community and to accept responsibility for this segment of human history.

As a result, countless students are involved annually in a number of community service and social action programs. Last year, Manhattanville’s students contributed over 30,000 hours of service while gaining valuable experience in such areas as management, teaching and advocacy.

At the heart of Manhattanville’s ethic of community service and service learning is the Duchesne Center for Religion and Social Justice. The center, which coordinates many of Manhattanville’s myriad service programs, serves as the coordinator, catalyst and incubator for community outreach, cultural, leadership and spiritual initiatives both across the Manhattanville campus and beyond.

In addition, the Connie Hogarth Center for Social Action works closely with the Departments of Sociology and Political Science and helps the next generation of college-educated activists acquire the practical skills and knowledge necessary for work in some field of social change.

NEW YORK CITY
While on the school’s beautiful 100-acre campus, students are only a 30-minute car or Metro North train ride from New York City, giving them the chance to blend the leisurely pace of suburban life in Westchester with the most populous and exciting city in the United States.

Manhattanville’s location offers students a unique opportunity to take advantage of all that New York City has to offer. Whether you want to enjoy a Broadway show, catch a professional sports event, tour a museum or art gallery, shop at the world’s best stores, dine at the country’s best restaurants, or simply stroll around and take in the city’s many well-known landmarks such as the Statue of Liberty or Times Square, New York City offers something for everyone to enjoy.

The school’s proximity to the worldwide leader in finance, entertainment, culture and more also offers Manhattanville undergraduate and graduate students a unique and exciting opportunity for jobs and internships both in the city itself and in the thriving New York City suburbs, including right here in Purchase!

MY SOLDIER
Manhattanville’s most well-known social action program was founded by a Valiant student-athlete, men’s soccer player Juan Salas, a naturalized U.S. citizen originally from Venezuela who saw active combat duty in Iraq and was commended for saving the life of a child during his tour.

Salas said his mission in Iraq was to “win the hearts and minds of the Iraqi people,” but he continued that while the service was at times challenging, “it was the letters that kept me going. From kids, boy scouts, students. A letter was like a piece of gold, something you want to keep for the rest of your life.”

When Salas got back to Manhattanville, he wanted to help his fellow soldiers overseas and approached former College President Richard A. Berman with an idea. Together with Berman and administrator Anne Gold, they launched the My Soldier program on February 14, 2004.

Participants in the My Soldier program, who are not limited to Manhattanville students, send letters and occasional care packages overseas to boost the quality of life for American troops.

A non-politically affiliated program, My Soldier has been wildly successful, with participants from all 50 states and over 400,000 people in total, reaching more than 175,000 U.S. troops.

In the classroom, students have the opportunity to choose over 50 different fields of undergraduate study at Manhattanville, outside of it, there are at least 50 extracurricular clubs and organizations available for students to discover and cultivate their passions.
