A staple in the New York region and an emerging program on the national stage, the Manhattanville College Athletic Department continues to bolster its reputation as a program on the rise in all areas: athletic achievement, academic success and overall participation.

More than 325 Valiant student-athletes (nearly 20 percent of the student body) took part in intercollegiate athletics during the 2010-11 school year, showcasing the continued and rapid growth of athletics at Manhattanville. With the announcement that the department will begin sponsoring women’s golf starting in 2012-13, the program has expanded to 22 intercollegiate teams – including eight new sports that have been established or re-established since 2007 alone.

And teams at Manhattanville do not just compete, they win. Four teams earned conference regular-season or tournament championships in 2010-11 and three Valiant squads (women's soccer, women's hockey and men's golf) appeared in the NCAA Tournament. 13 of 21 Valiant squads earned berths in their respective conference championships last year, including the eighth title in 12 seasons for the women's hockey team and the second straight title for men's golf. In addition, a pair of Manhattanville squads (men's hockey and women's hockey) spent much of the year nationally ranked while two more programs (men's basketball and men's golf) topped the list of teams receiving votes nationally in their respective polls over the course of the year.

On an individual level, many Valiant student-athletes were honored in 2010-11 as well, including a pair of Freedom Conference Players of the Year and two Freedom Rookies of the Year to go with 32 combined All-Conference honorees. In the last 10 years, at least 35 former Valiants have gone on to play their sport professionally either domestically or overseas as well.

But at Manhattanville, athletics is only one part of becoming a well-rounded student-athlete. In the classroom, Valiant athletes consistently achieve higher grade-point averages than the student body as a whole, as evidenced by the 3.20 Athletic Department GPA for the Spring 2011 semester and the fact that all but four Valiant teams recorded a team GPA of 3.000 or higher for the spring term. In addition, the department boasted its first CoSIDA Academic All-American in 27 years and a pair of CoSIDA Academic All-District representatives, while the department also shattered its previous best with 114 student-athletes named Academic All-Conference honorees.

Community service also continues to play a vital role in the student-athlete experience at Manhattanville, as each team performs hundreds of community service hours each year. In addition to active involvement with many local sports teams and youth organizations both on and off campus, Valiant teams sponsor events such as the women's basketball "Pink Zone" night and the women's hockey "Think Pink" event to promote cancer awareness. As a result of these and other efforts, the school was the recipient of two Jostens/NADIIIAA Community Service Awards in 2009, one of only 13 institutions honored and the only school to receive two awards. The service aspect of the Valiant student-athlete experience plays a large role in helping Valiant athletes fulfill the college's mission of educating students to be ethically and socially responsible leaders in a global community.

Manhattanville Quick Facts:
• 22 Varsity Sports
• Over 325 Student-Athletes
• 8 Sports Added Since 2007
• 25 All-Americans (21 since 1999)

**Media Information**

**BROADCAST:** Most (if not all) Valiant women's lacrosse home matches this season will be broadcast live as a video stream through the home of Manhattanville Athletics video broadcasting, GoValiants.TV. Director of Sports Information Steve Sheridan and Assistant Director Sean Engel will call the action from GoValiants.com Field through the school's partnership with Pack Network. For more information, a complete broadcast schedule or to watch the broadcasts, log on to www.GoValiants.TV.

**CREDENTIAL REQUEST:** Members of the media wishing to attend any Manhattanville women's lacrosse match must contact the Sports Information Department in advance. Limited seating and phone access for games is available for working media in the press box of GoValiants.com Field. Game programs and updated statistics for both teams will be available in the press box prior to the game. Following the match, a final box score will be made available to media outlets and can be faxed or e-mailed to requested outlets.

**INTERVIEW POLICY:** All interview requests for Valiant student-athletes and coaches must be made through the Manhattanville Sports Information Department. Media planning to attend practice should contact the Sports Information office to confirm practice times and player/coach availability. Game-day interviews prior to a match are not permitted. Coach Riordan and requested student-athletes will be available to credentialed media members after a 10-minute cooling-off period following the match.

**Directions to GoValiants.com Field**

FROM SOUTH: Deegan Expwy/New York State Thruway (I-87) north to Exit 8. Follow the Cross Westchester Expwy (I-287) East to the Hutchinson River Parkway. Head north on Hutchinson River Parkway to Exit 27 (in New York, not Connecticut) at Route 120 (Purchase Street). Turn left onto Purchase Street and follow campus entrance on left.

FROM NORTH: Take the Taconic State Parkway South to Cross Westchester Expwy (I-287) east to Exit 8E (Westchester Ave.). Take second left onto Anderson Hill Road. Make right at first traffic light (Purchase Street) and proceed to campus entrance on right.

FROM WEST: Take the Tappan Zee Bridge (I-287) and continue on the Cross Westchester Expwy (I-287) East, then follow the directions above from the north after the Taconic State Parkway.

**COMMERCIAL VEHICLES:** The Hutchinson River Parkway, Taconic State Parkway, Saw Mill Parkway, Merritt Parkway, Sprain Brook Parkway and Bronx River Parkway all have severe height clearance limitations and do not permit most commercial vehicles. As an alternate route, use I-87 from the south or west, or I-95 from the east, to I-287 and follow directions above. From the north, use I-684 south, get off at Exit 2 (Westchester Airport) and follow Route 120 South/Purchase Street to campus.

Director of Athletics Keith Levinthal

Ninth Year • Hobart ’95

Keith Levinthal begins his ninth full year as Director of Athletics at Manhattanville College in 2011-12 and continues to establish the school as a regional and national leader in athletic success, academic achievement and community involvement. The architect and head coach of Manhattanville’s nationally recognized men’s hockey program before stepping aside in October 2011, Levinthal will now concentrate full time on keeping Manhattanville in the local, regional and national spotlight.

Levinthal has led the Valiant athletic program to unprecedented heights in recent years, as Manhattanville has collected 52 conference championships – 26 regular-season championships and 26 tournament titles – in the last eight seasons alone. In that span, the program has also produced 27 conference Players of the Year, 15 All-American selections and one National Player of the Year.

As a head coach with the men’s hockey team, Levinthal stepped aside with the most wins of any mentor in Manhattanville department history, posting a 202-84-28 (.688) record in 12 seasons and twice earning ECAC West Conference Coach of the Year honors. He left as the 14th winningest coach in NCAA hockey history (all Divisions) and sixth among Division III leaders in terms of winning percentage, and led the team to four NCAA Tournaments, four ECAC West Tournament titles and a pair of first-place finishes in the ECAC West regular-season standings.

Under Levinthal’s guidance, Manhattanville as a whole continued its recent string of very successful seasons in 2010-11, as 15 teams participated in conference postseason play and four squads won a conference regular-season or tournament title. The Valiant women’s soccer, women’s hockey and men’s golf teams won conference championships and advanced to the NCAA Tournament during the season, while the men’s basketball team achieved the first D3Hoops.com national ranking in program history and the men’s golf team received votes in multiple national coaches polls for the first time. Off the field, a program-record 114 Valiant student-athletes were named to their respective conference Academic Honor Rolls as well, while the program also earned its first CoSIDA/Capital One Academic All-American selection in 25 years and a pair of CoSIDA/Capital One Academic All-District honorees.

In 2007-08, Levinthal guided the Athletics Department as it transitioned from the Skyline Conference to the Freedom Conference and also reintroduced volleyball and cross country programs to the school. The Valiants saw immediate success in its new conference as two teams clinched Freedom Conference regular-season championships and three programs won conference tournaments in advancing to the NCAA Tournament. The women’s hockey team advanced to the program’s third National Championship game, while the women’s soccer team reached the NCAA Tournament for the first time in program history.

Levinthal also led the Valiants to a record-breaking year in 2006-07, as six teams won conference championships and a program-record five teams qualified for the NCAA Tournament. His men’s hockey team spent 13 consecutive weeks as the top-ranked team in the nation and earned its first-ever berth in the national semifinals, while goaltender Andrew Gallant became the first Manhattanville student-athlete to be named a National Player of the Year. Six coaches were named as conference Coach of the Year, while a program-best four Valiant student-athletes were also named CoSIDA/ESPN The Magazine Academic All-District honorees. And, for the first time ever, Valiant teams won more league championships than any other Skyline Conference team.

Levinthal saw immediate athletic success during his first full year at the helm, as all 14 of Manhattanville’s athletic programs participated in postseason play during the 2003-04 year. Four teams earned bids to the ECAC postseason tournaments, while the women’s ice hockey program earned its third consecutive NCAA Tournament appearance. In 2004, Levinthal also received the honor of beginning a four-year term on the NCAA Men’s and Women’s Ice Hockey Rules Committee, serving as one of 13 overall members and one of just four from Division III institutions.

But in addition to athletic success, at the heart of every successful program lie sound resources for its lifeblood – its student-athletes. Therefore, Levinthal has made it a priority to provide the resources needed to create an environment in which Manhattanville student-athletes can achieve at the highest level in all areas: academically, socially and athletically.

A 1995 graduate of Hobart College, Levinthal is committed to developing all aspects of the athletics program. In his tenure at Manhattanville, Levinthal’s agenda has included:

Student-Athlete Development - Manhattanville continues to be on the cutting edge in the total development of its student-athletes. Valiant student-athletes have exhibited a strong presence and desire to serve the New York area. All varsity teams participate in outreach activities, positively impacting numerous area youth groups, hospitals, schools and agencies.

Professionalism - Under Levinthal’s guidance, Manhattanville athletics received a much-needed face-lift. With a new website, logo, team colors and method of business, he has streamlined and energized the department. The result has been increased exposure to Manhattanville student-athletes, improved performance both on and off the field, and increased support from fans and alumni.

Exposure - Manhattanville Athletics continues to maintain a strong presence on national and regional media outlets. Levinthal has helped increase the program’s media opportunities as well as displaying the values of the Valiants constantly in the public eye.

Assistant Director of Athletics Julene Fisher

Seventh Year • Marymount ’02

Julene Fisher is in her seventh year as Assistant Athletic Director and Senior Woman Administrator, and her ninth year overall within the Manhattanville Athletic Department in 2011-12.

As Assistant Athletic Director, Fisher is responsible for assisting the athletic director in an administrative capacity. She handles the scheduling for all of Manhattanville’s 21 sports and also handles travel accommodations and assignment of the department’s student workers.

A former Assistant Sports Information Director at Manhattanville, Fisher also assists the Sports Information Department by serving as a statistician for home baseball games and select other home contests.

Fisher began her tenure at Manhattanville as an administrative assistant in the Manhattanville Development Office before moving over to the Athletic Department.

Fisher graduated from Marymount College in 2002 as an English/Journalism major. She served as the editor-in-chief of Marymount’s student newspaper, The Cormont, and also was a four-year letterwinner in both swimming and softball at the school.

In television, she worked in conjunction with ABC News, the Discovery Channel and HBO to produce the hit series, “The Justice Files”, as well as HBO’s Emmy award winning documentary “In Memoriam: New York City, 9/11”.

2012 MANHATTANVILLE WOMEN’S LACROSSE MEDIA GUIDE
Head Coach Anna Riordan
Fifth Season • Binghamton ’07

Anna Riordan returns for her fifth season as head coach of the Manhattanville women’s lacrosse program in 2012, looking to lead the Valiants back to the postseason after a two-year absence.

In only four years, Riordan has already become the winningest coach in school history and has produced the two highest single-season win totals in program annals, while also making the Valiants a competitor in the very tough Middle Atlantic Conference. With the MAC splitting into two sides for the 2012 season, Riordan looks to lead the Valiants to the top of the Freedom Conference and turn the squad into a contender on the regional level.

After a tough 2010 season, Riordan and the Valiants rebounded in 2011, posting a 7-9 mark and finishing seventh in the Middle Atlantic Conference to just miss a berth in the MAC Tournament. Manhattanville cracked the 200-goal plateau for the third time in Riordan’s four seasons at the school, providing an exciting brand of women’s lacrosse to watch. The team also had two of its players named All-Conference for the first time since joining the MAC, as goalie Kirstin Betsill was named to the second team and Melissa Goncalves received honorable mention laurels.

Riordan followed a very successful first season with another record-setting campaign in 2009, guiding the Valiants to an 11-6 record, the most wins in a single season in school history. The team won its first four games of the year for the best start in program history, and concluded the season with the program’s first-ever berth in the Middle Atlantic Conference Tournament. The Valiants also scored 234 goals in 17 games, the most in a single season at Manhattanville.

Riordan made a big impact in her first year at the helm of the Valiant program in 2008, recording a then-school-record nine wins in 17 games. The team also went 4-4 in its first season in the Middle Atlantic Conference, finishing just outside the conference tournament with a fifth-place finish. The Valiants ended the season with a flurry, scoring a combined 42 goals in wins over Farmingdale State and Arcadia.

A 2007 graduate of Binghamton University, Riordan was four-year letterwinner for the Division I Bearcats. She scored 99 points in her 62-game career and was also a strong defensive player, picking up 112 ground balls. A Yorktown, N.Y. native, Riordan served as Binghamton’s captain during her senior season, starting 14 times and leading the team with 13 assists. While at Binghamton, Riordan was a member of the school’s Student Athlete Advisory Committee and volunteered with the Saint Jude’s Children Hospital and Johnson City Mentor Program.

After graduation, Riordan worked as a coach for Velocity Lacrosse, a traveling lacrosse team of Westchester County players age 11-17 based out of John Jay High School. Riordan has also worked as a coach at the Nutmeg Lacrosse Clinics and was the Director of the 2005 Future Stars Lacrosse Camp.

Assistant Coach Liz Falco
Second Season • Hofstra ’10

Liz Falco returns for her second season as the top assistant with the Valiant women’s lacrosse team in 2011.

Falco is responsible for helping with all day-to-day aspects of running the Manhattanville women’s lacrosse program, including on- and off-campus recruiting, fundraising, academic monitoring as well as game and practice preparation and instruction.

In her first season with Manhattanville, Falco helped the Valiants to a 7-9 (6-6 MAC) record and a seventh-place finish in the very competitive Middle Atlantic Conference.

Falco brings four seasons of Division I lacrosse experience to Manhattanville, spending two years at Marist College before finishing her career with two seasons at Hofstra University. She was a four-year All-Conference performer on the turf, beginning right away when she led her Marist team with 50 goals and 58 points on the way to MAAC Rookie of the Year honors in 2007. She earned an All-MAAC second-team honor as a sophomore as she helped the Red Foxes to the first MAAC Tournament title in program history and a berth in the NCAA Tournament.

At Hofstra, she ranked second on the team in scoring in both seasons while making the transition from midfielder to attacker. In her senior year, Falco was named to the IWLCA Mid-Atlantic Region second team after scoring 27 goals with 13 assists for a Pride squad that finished the team ranked 15th in the IWLCA Div. I National poll.

She received her bachelor’s degree in psychology from Hofstra in 2010.

Beyond the collegiate realm, Falco was selected to the final round of tryouts for the U.S. National team in both 2009 and 2010.

Off the field, Falco served as head coach for one of four New York teams at the Section I All-Star Tournament and also has spent three years coaching with the Yorktown Bombers Club Team. She has also coached locally at the Superstar Lacrosse Camp and the Head Heart Hustle Lacrosse Camp.

A native of nearby Yorktown Heights, N.Y., Falco currently resides in Purchase as she pursues her master’s degree in Physical Education at Manhattanville.

Assistant Coach Marissa Bonitatibus
First Season • New England ’11

Marissa Bonitatibus begins her first season as an assistant coach with the Manhattanville women’s lacrosse team in 2011-12. While helping in all areas of the program, she will work primarily with the Valiant goalkeepers and defensive unit.

Bonitatibus was a four-year letterwinner and two-year team captain for Western New England University (formerly College) from 2008-11. As a senior, she earned first-team All-Commonwealth Coast Conference and first-team ECAC All-Star honors, and also was named an All-TCCC honorable mention as a freshman in 2008, when she posted a 15-5 record and helped set a new program record for wins in a season (17). In addition, Bonitatibus backstopped Western New England to three ECAC New England Championships in her four years (2008, 2009 and 2011) and was named the tournament’s Most Valuable Player as a sophomore. A four-year starter for the Golden Bears, she left as the school’s all-time record holder with 49 career victories.

Outside of the collegiate realm, Bonitatibus also has coached with the New England Developmental Lacrosse program since 2009, helping to conduct clinics and serving as a tournament coach.

A 2011 graduate of Western New England with a bachelor’s degree in psychology, she is currently working toward her master’s degree in special and childhood education at Manhattanville.

The Freedom Conference

With the exception of men’s and women’s hockey, all 22 Manhattanville varsity sports have competed under the umbrella of the Middle Atlantic Conferences since joining the conference prior to the 2007-08 school year.

Founded in 1912, the MAC is an umbrella organization of three conferences – Commonwealth, Freedom and Middle Atlantic – and sponsors 22 Division III sports among its 16 current member schools. With the split of men’s and women’s lacrosse into two separate conferences this year, all Manhattanville teams except cross country and indoor/outdoor track compete alongside seven other schools in the competitive Freedom Conference. As a result, all Valiant programs (except women’s lacrosse, which must wait one season) receive the chance to compete for the conference’s automatic NCAA Tournament berth.
2011 Record: 7-9 (T-9th place in MAC)
All-Time Meetings: 4-0

2012 Season Preview

After coming a game short of the postsea-
son in 2011, head coach Anna Riordan and
the Manhattanville women’s lacrosse team will
combine an experienced group of returners
with a healthy dose of new blood as the Val-
nants look for a return to their winning ways
and a return to the conference tournament in
2012.

Manhattanville will face some challenges
heading into the year, as the squad lost five of
its top-seven scorers – approximately 42 per-
cent of the goal scoring – as well as its starting
goaltender from last season’s 7-9 squad. But
Riordan will welcome back 11 players (seven
starters) from 2011 and also will look for im-
mediate contributions from the squad’s seven
newcomers to make up for the departures.

The Valiants hope to take advantage of a
new conference structure for 2012 as well, as
the Middle Atlantic Conference officially split
into separate Freedom and Commonwealth
Conferences to align with most other confer-
ence-sponsored sports. As a result, Manhat-
ttanville will be competing alongside just six other
teams in the quest for a Freedom Conference
championship this year.

The team was picked to finish third in the
conference preseason poll, receiving 26 points
to finish behind FDU-Florham (35 points, five
conference preseason poll, receiving 26 points
and a return to the conference tournament in
2012. And a return to the conference tournament in
2012. And a return to the conference tournament in
2012.

MIDFIELD

The Manhattanville midfield will have a very
similar look from last season, as five players
who spent at least part of the year starting in
the middle will be back with the team this
year.

Leading the charge in the midfield will be
junior Melissa Goncalves, who led the team
with 69 points as a sophomore on 50 goals and
and an assist in her time in the middle but also
picked up 29 ground balls to lead all defend-
ance this year before the Freedom earns automatic-
qualifier status for next season.

ATTACK

Despite losing three of their top-five scor-
ers from a year ago, Manhattanville returns its
most dangerous offensive weapon from last
year in sophomore Casandra Honovich, who
had one of the best freshman seasons in school
history a year ago. In 2011, Honovich scored
59 goals to set a new program record for goals
by a freshman, and also ranked fourth on the
school’s single-season list and third in the Mid-
dle Atlantic Conference in goals at the end of
the regular season. She scored in all but one
Valiant game last year, and with a lot of offense
having graduated she will play a vital role in the
offensive attack again this season.

The only other returner up front for the Val-
iants in 2012 is sophomore Brooke Marcimo,
who appeared in 14 games off the bench as a
freshman in 2011. She had two goals and two
 assists for four points in limited action, and will
look to play a more widespread role in the off-
ense in her second season with the squad.

Riordan also has three newcomers that
will look to fight for a starting role on the at-
tack as well this season. Sophomore Britney
Themistocles moves over from field hockey
to lacrosse for this year and will look to make
a smooth transition after an All-Star career in
high school. Freshmen Nicole Furbacher and
Meghann Haggerty also will provide depth
and will get a good chance to crack the starting
lineup during the preseason as well.

DEFENSE

The Valiants have a pair of starting defend-
ers returning this year in senior Danielle Scic-
cutella and junior Erin Saporette, with both
players looking to anchor the team’s backbone.
Scicutella, who may see time both in the mid-
field and defense this year, had three goals and
an assist in her time in the middle but also
picked up 29 ground balls to lead all defend-
ers. Saporette made 13 starts on defense in her
first year as a full-time player last season, pick-
ing up 25 ground balls, and will play a key role
again for Manhattanville in her third season.

Junior Kelly Murray also returns for her
third year with the Valiants in 2012 and will
look to take a more active role in the defense
after seeing the field in 13 games last season,
recording five ground balls and three caused
turnovers in limited action. Freshman Kelli
Ann Paterek also will vie for a spot in the lineup
in her first season of collegiate lacrosse as
well.

GOALIE

The goalie position will see a new face be-
 tween the pipes after the graduation of All-Con-
ference netminder and four-year starter Kirstin
Betsill ’11, with junior Mary Rose Morrison
and senior Liz Cooper ready to see time in
goal this year. Morrison played two games in
goal during her freshman campaign and returns
to the team in 2012 after a one-year absence,
while Cooper will look to make the transition
from defense to keeper in her senior season as
well.

& conditioning, sports medicine, locker room and office facilities, as well as a full-length swimming pool and dance studio.

All in-season sports have their own space inside Kennedy Gymnasium’s several locker rooms (one of which is pictured to the left), with each player allowed his or her own locker for the full season. Inside the fully-enclosed locker rooms, members of the coaching staff can address their team before, during and after games, while the rooms also serve as a perfect congregating spot for teams at any time throughout the season.

The rest of the locker rooms inside Kennedy Gym include full shower and locker facilities, as well as access to Manhattanville’s swimming pool, strength and conditioning facilities, and athletic training facilities, all of which are fully-staffed year round.

As the day-to-day administrative home of the Manhattanville Athletic Department, the offices of almost all varsity head and assistant coaches at the school are also located within the Kennedy Gym walls; as are the offices of all Manhattanville athletics administrators and support staff.

Manhattanville’s athletic trophies and banners, highlighting the program’s best accomplishments throughout the school’s distinguished athletic history, are also located inside the lobby and main arena of Kennedy Gymnasium. The gym also plays host to several camps and local recreational groups during the summer and throughout the school year.

2012 MANHATTANVILLE WOMEN’S LACROSSE MEDIA GUIDE
Focused on the overall development of the student-athlete, the Manhattanville Strength & Conditioning staff maximizes the athletic performance of Valiant athletes by using the most effective and efficient training techniques to compete injury free at the highest level of competition. The aim is to instill a sense of self-discipline, respect and responsibility to achieve the ultimate goal of a team championship.

The strength and conditioning department is housed inside Healthworks, a large, state-of-the-art weight and cardiovascular training facility located on the bottom floor of the Athletic Department hub, Kennedy Gymnasium. The room includes several power development stations, glute ham benches, decline abdominal benches and physioballs and cardiovascular machines that are available for student-athlete use both in and out of season as well as during the summer.

In 2007, Manhattanville College opened the new Richard A. Berman Student Center in the center of campus that includes a first-class workout area for the general student population; as a result, Healthworks is now an exclusive strength and conditioning home of Valiant student-athletes.

Head Coach Corey Crane

Fourth Season - Northern Iowa '97

Corey Crane is in the third season of his second stint as Manhattanville’s Head Strength and Conditioning Coach and also serves as the school’s Assistant Athletic Director for Academics.

Crane is responsible for managing and providing the design, implementation, supervision and evaluation of the strength and conditioning program utilized by the school’s 21 varsity sports.

Crane brings a wealth of strength and conditioning experience to Manhattanville. He previously spent two years as the Associate Head Strength and Conditioning Coach at the United States Military Academy at West Point, working with all of the school’s 17 sports but focusing primarily on the Academy’s football, men’s lacrosse, hockey and volleyball programs.

Crane also has served as the Head Strength and Conditioning Coach at Western Illinois University during the 2005-06 school year and previously spent one year in Purchase as Manhattanville’s Head Strength and Conditioning Coach before taking an assistant position at Army for four years.

Graduate Assistant Coach Jason Ward

First Season - SUNY Albany '07

Jason Ward is in his first season as the assistant strength and conditioning coach at Manhattanville in 2011-12.

In his role, Ward works with head coach Corey Crane to manage and provide the design, implementation, supervision and evaluation of the strength and conditioning program utilized by all 21 Manhattanville varsity sports.

Outside the Manhattanville realm, Ward is a professional Mixed Martial Arts fighter and has competed at both the amateur and professional levels.

A graduate of SUNY Albany, he received a bachelor’s degree in sociology with a concentration in criminal justice in 2007. He currently resides in New Rochelle, N.Y., as he pursues his graduate degree at Manhattanville.

Sports Medicine

The Sports Medicine facilities at Manhattanville are located inside the hub of Manhattanville Athletics, Kennedy Gym, and are the only place where Valiant student-athletes from all 22 varsity sports come to receive comprehensive health care from any of the department’s fully-certified, full-time athletic trainers.

The athletic training staff has five main objectives: prevention of athletic injuries; recognition, evaluation and treatment of injuries that do occur; rehabilitation; health care administration; and professional development. The athletic training staff also has on-campus access to state-of-the-art training methods, including ultrasound capability, electrical muscle stimulation and whirlpool treatments.

The training staff is also privileged to be affiliated with some of the best physicians in the Westchester area, benefiting from a close relationship with Plancher Orthopedics and Sports Medicine and head team physician Dr. Kevin Plancher, who works out of nearby Greenwich, Conn.

The Manhattanville Sports Medicine staff can be contacted throughout the day via phone (914-323-7276), fax (914-323-7212) or email (mciver@govaliants.com).

Graduate Assistant Trainer Hilary Delp

First Season - Castleton State '09

Hilary Delp enters her first season as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2011-12.

Delp graduated from Castleton State College in May 2009 and spent three seasons working as a student assistant in the Athletic Training Department. She worked with six programs during her time at the school, while also working with the men’s lacrosse team at Green Mountain College in the spring of 2009. She spent the last two seasons working with the Athletic Training Department of the NHL’s Philadelphia Flyers.

Delp is NATABOC certified and also has received certifications from the American Red Cross for CPR/AED, First Aid and Lifeguarding. A member of the National Athletic Trainers Association, she has attended the NATA National Conference in 2008 and 2009.

Graduate Assistant Trainer Victoria Gagliardi

First Season - Sacred Heart ’10

Victoria Gagliardi enters her first year as an assistant athletic trainer in the Manhattanville Sports Medicine Department in 2011-12.

A 2010 graduate of Sacred Heart University, Gagliardi spent three years working as a student assistant as an undergraduate and worked with seven of the school’s Division I programs, including football and men’s hockey. She was named the school’s Student Athletic Trainer of the Year as a senior and also received the school’s Patrick McCaughey Scholarship in 2010, providing her funding to attend the National Athletic Trainers’ Association annual meeting and national symposium.

Gagliardi became NATABOC certified in August 2010 and is also certified by the American Red Cross in CPR/AED for the Lifeguard, and Lifeguarding and First Aid.

Head Trainer Scott McIver

Eighth Season - Iona ’83

Scott McIver, MS, ATC, completed his seventh season as the head athletic trainer at Manorville in 2010-11. McIver previously served as the school’s head trainer from 2000-02 before returning to the school before the 2006-07 school year.

As head athletic trainer, McIver oversees and operates in the evaluation, treatment, rehabilitation and injury prevention of the Valiants’ 300-plus student-athletes. In addition, McIver assists and oversees practice and game coverage for all of Manhattanville’s 21 varsity sports.

McIver returned to Manorville in 2006 after working as a certified orthotics fitter for Orthotics, Ltd. He served as the head athletic trainer for the Brewster School District beginning in January 2006, providing sports medicine coverage for the interscholastic sports program at the middle and high school levels.

After departing Manorville in 2002, McIver moved on to become the head athletic trainer at Iona Prep High School, providing coverage for 20 sports and 250 student-athletes.

From 1989 to 2000, McIver served as an associate athletic trainer at Pace University in Pleasantville, N.Y., coordinating athletic training coverage and strength and conditioning for all sports.

McIver received his Masters in Athletic Training and Exercise Science from Long Island University in 1990. He received his undergraduate degree in psychology from Iona College.

A member of the National Athletic Trainers Association and American Orthotic and Prosthetic Association, he is also an Emergency Medical Technician and a licensed massage therapist.
Manhattanville College, located just north of New York City in thriving Westchester County, has been educating young people on its beautiful 100-acre campus for over 150 years. With only 1,700 undergraduate students, each student is able to make a personal contribution to the campus community in more than 50 areas of study and 50 campus clubs. Also one of the most diverse campuses in the area, Manhattanville attracts students from 48 states and 76 countries.

SCHOOL HISTORY

Founded in 1841 in a three-story building on Houston Street of Manhattan’s Lower East Side as the Academy of the Sacred Heart, a Catholic boarding school for girls, Manhattanville has been educating students in the New York area for over 150 years.

Six years after its founding in 1847, the academy relocated to an area just north of New York City on a hill overlooking the village of Manhattanville. Destroyed by fire in 1888, the academy was rebuilt on the same foundation and continued to grow both in curriculum and physical environment. In March of 1917 – 76 years after its founding as an academy – Manhattanville was chartered as a college by the New York State Board of Regents, allowing the school to grant undergraduate and graduate degrees for the first time.

Thirty-five years later, in 1952, Manhattanville moved to its current location in Purchase on the former estate of New York Tribune publisher and Ambassador to England Whitelaw Reid. The estate included a mansion, Ophir Hall, which has since been renamed Reid Castle and serves as the centerpiece of Manhattanville’s picturesque Westchester campus.

ABOUT MANHATTANVILLE

At Manhattanville College, rigorous academic preparation within a nurturing environment is matched by personalized attention to every student. Our close-knit community of 1,700 undergraduate students and 1,200 graduate students allows each student to make a personal contribution for the school. The student body also is one of the nation’s most diverse according to the Princeton Review, representing almost every state and more than 75 countries.

With more than 50 areas of undergraduate study, ranging from the Liberal Arts to cross-disciplinary studies such as Environmental Science and professional concentrations such as Business and Museum Studies, our students discover their passions and feel empowered to make a difference in the larger local, national and international communities around us. The school offers Bachelor of Arts, Fine Arts, Music and Science degrees, while also housing a highly respected and blossoming array of graduate programs.

Our students also participate in over 50 social clubs, run an award-winning radio station, and collectively engage in over 30,000 hours of community service each year. Many students also design their own majors by matching interests with courses, providing a unique educational experience both in and out of the classroom.

Our beautiful 100-acre campus with its historic architecture and recent environmentally-responsible buildings is set in thriving Westchester County. Life at Manhattanville blends the leisurely pace of suburbia with the rich cultural resources and fast pace of New York City, which is only thirty minutes away.

THE CORE VALUES

Proudly a value-oriented liberal arts college for more than 150 years, Manhattanville is still guided by the mission “to educate students to become ethically and socially responsible leaders for the global community.”

Manhattanville is committed to following its mission by:

• Ensuring the intellectual, ethical and social development of each student within a community of engaged scholars and teachers;
• Encouraging each student to develop as an independent leader and creative thinker in pursuing career and personal goals; and
• Providing a diverse, inclusive and nurturing environment which develops in each student a commitment to service and leadership within a global community.
A TRADITION OF SERVICE
Co-educational since 1969 and non-denominational in its governance since 1971, Manhattanville’s original vision lives on in the tradition of service begun by the Society of the Sacred Heart. This tradition, which preceded the college’s charter, determined the character the school would have: a firm belief in the liberalizing effect of the liberal arts, a lively sense of tradition, a wide-ranging interest in the most humane manifestations of the human spirit, and a continuing effort to enhance the local community and to accept responsibility for this segment of human history.

As a result, countless students are involved annually in a number of community service and social action programs. Last year, Manhattanville’s students contributed over 30,000 hours of service while gaining valuable experience in such areas as management, teaching and advocacy.

At the heart of Manhattanville’s ethic of community service and service learning is the Duchesne Center for Religion and Social Justice. The center, which coordinates many of Manhattanville’s myriad service programs, serves as the coordinator, catalyst and incubator for community outreach, cultural, leadership and spiritual initiatives both across the Manhattanville campus and beyond.

In addition, the Connie Hogarth Center for Social Action works closely with the Departments of Sociology and Political Science and helps the next generation of college-educated activists acquire the practical skills and knowledge necessary for work in some field of social change.

NEW YORK CITY
While on the school’s beautiful 100-acre campus, students are only a 30-minute car or Metro North train ride from New York City, giving them the chance to blend the leisurely pace of suburban life in Westchester with the most populous and exciting city in the United States.

Manhattanville’s location offers students a unique opportunity to take advantage of all that New York City has to offer. Whether you want to enjoy a Broadway show, catch a professional sports event, tour a museum or art gallery, shop at the world’s best stores, dine at the country’s best restaurants, or simply stroll around and take in the city’s many well-known landmarks such as the Statue of Liberty or Times Square, New York City offers something for everyone to enjoy.

The school’s proximity to the worldwide leader in finance, entertainment, culture and more also offers Manhattanville undergraduate and graduate students a unique and exciting opportunity for jobs and internships both in the city itself and in the thriving New York City suburbs, including right here in Purchase!

MY SOLDIER
Manhattanville’s most well-known social action program was founded by a Valiant student-athlete, men’s soccer player Juan Salas, a naturalized U.S. citizen originally from Venezuela who saw active combat duty in Iraq and was commended for saving the life of a child during his tour.

Salas said his mission in Iraq was to “win the hearts and minds of the Iraqi people,” but he continued that while the service was at times challenging, “it was the letters that kept me going. From kids, boy scouts, students. A letter was like a piece of gold, something you want to keep for the rest of your life.”

When Salas got back to Manhattanville, he wanted to help his fellow soldiers overseas and approached former College President Richard A. Berman with an idea. Together with Berman and administrator Anne Gold, they launched the My Soldier program on February 14, 2004.

Participants in the My Soldier program, who are not limited to Manhattanville students, send letters and occasional care packages overseas to boost the quality of life for American troops.

A non-politically affiliated program, My Soldier has been wildly successful, with participants from all 50 states and over 400,000 people in total, reaching more than 175,000 U.S. troops.
